TAVISTOCK

inspiring bathrooms

Looking for **BATHROOM INSPIRATION?** Look no further! Tavistock's extensive range includes bathroom furniture, contemporary showers and shower enclosures, sanitaryware and taps. We also have a **GREAT CHOICE** of finishing touches, from mirrors and cabinets to toilet seats and bath panels. So whether you're a get-up-and-go shower lover, someone who takes their 'me' time seriously, a born organiser or indeed all of the above, we have a host of products which will suit your individual needs perfectly. Browse through our catalogue for **PRODUCT INSPIRATION**, useful design advice and **CREATIVE SOLUTIONS** to help you craft your personal idea of bathroom heaven.

Find your nearest retailer via our website @ www.tavistock-bathrooms.co.uk

At Tavistock we are extremely proud of our products and our confidence in their quality is such that we can offer extended guarantees against manufacturing defects on many of them, including a **5 YEAR GUARANTEE** on all taps, a **10 YEAR GUARANTEE** on all furniture and showers, a **20 YEAR GUARANTEE** on all sanitaryware and shower trays and a fantastic **LIFETIME GUARANTEE** on our OXYGEN|8 shower enclosures. Many of our toilet seats also come with a lifetime guarantee. So dive right in and take a look for yourself...

DESIGN

CREATE

INSPIRE

All Tavistock products are designed at our offices in the beautiful spa city of Bath. From here we control every stage of the product life cycle.

We're not just about bathroom furniture, we now offer a **ONE STOP SHOP** as our extensive range of product includes sanitaryware, shower valves, taps, cloakroom solutions, not to mention our range of contemporary shower enclosures. For those **FINISHING TOUCHES** we've got a great choice of mirrors, cabinets, toilet seats and bath panels. Perfect for an instant bathroom revamp.

Our highly experienced team of researchers, developers and technical experts are constantly monitoring new trends and rigorously testing **ADVANCEMENTS** in technology.

With Tavistock, you can count on the highest levels of service and reliability, but what makes us special is our **IN-HOUSE DESIGN TEAM.** Excellent design is of the utmost importance to us, so we design all of our products in-house to ensure our perspective remains fresh and innovative. We source **OUTSTANDING** quality materials and craftsmanship so that every Tavistock product not only looks good but fulfils its purpose, time after time.

With extensive guarantees across our entire range, you can choose every Tavistock product with complete and utter confidence.

INSPIRING

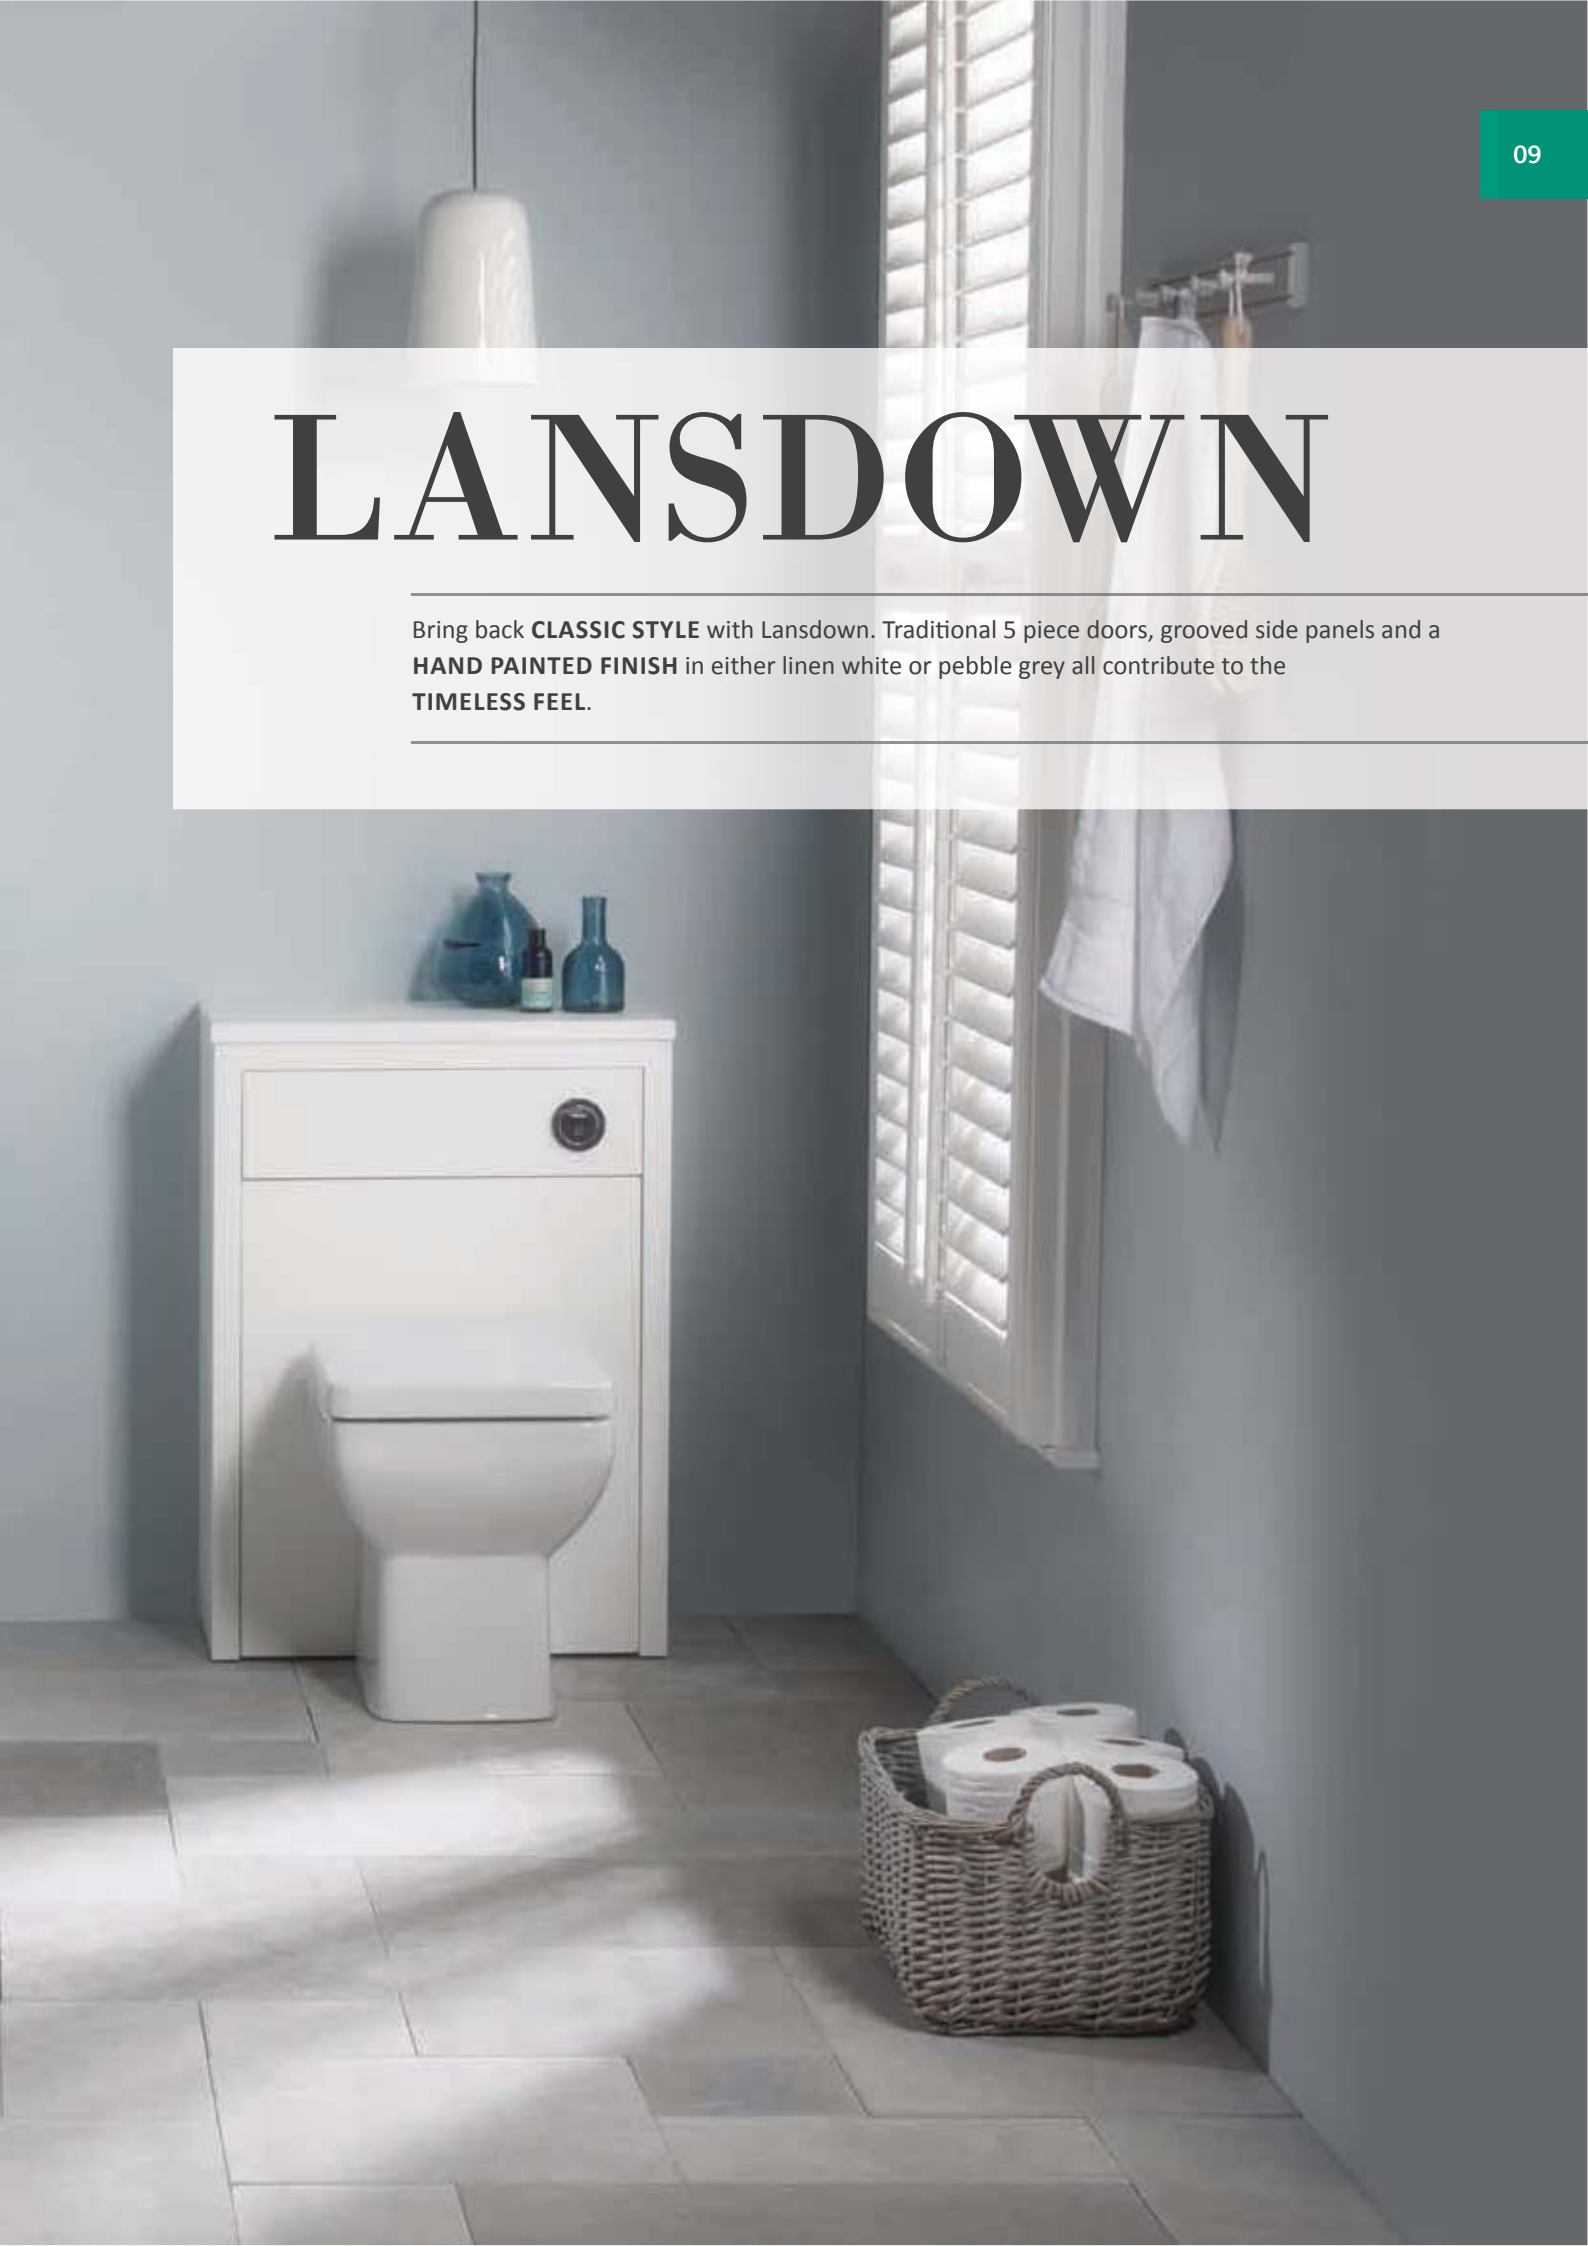
FURNITURE

Show your bathroom some love. Create a warm, welcoming space with our beautifully crafted furniture. It isn't just about clearing away the clutter - the right furniture will define your bathroom. Whether you prefer the gleam of high gloss white, the glamour of black, or the warmth of a real wood finish, you'll find a style that is right for you. Look out for special touches such as soft close doors and drawers and integrated handles.

NEW FOR 2014

LANSDOWN

Bring back **CLASSIC STYLE** with Lansdown. Traditional 5 piece doors, grooved side panels and a **HAND PAINTED FINISH** in either linen white or pebble grey all contribute to the **TIMELESS FEEL**.



Your Lansdown
Furniture Options

LANSDOWN FEATURES & FINISHES

10 year guarantee
All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

Basin units
The 550mm basin unit is hand painted and features a solid wood frame with 5 piece doors and tongue and groove effect side panelling to give that luxury timeless feel.

Storage & back to wall units
A complementary storage unit and back to wall unit completes this beautiful classic range.

Soft close doors
Lansdown units feature soft close drawers and doors to give a quiet and controlled closure.

Finishes available

For compatible cistern and back to wall pan options see pages 124 - 125

TEMPO

Tempo is defined by the **SHAPELY CURVE** of its drawer or doors and its generous **BOW FRONTED** basin. In painted gloss white or a protective **SUPER MATT** lacquered real wood veneer, both perfect for bathroom use.

Your Tempo
Furniture Options

TEMPO FEATURES & FINISHES

10 year guarantee
All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

Base units
Curve fronted basin units are finished with an elegant chrome handle which complements their shape perfectly. Available as freestanding units in a super matt lacquered, real wood veneer in light or dark java or high gloss white finish. There is the additional option of a wall mounted unit in the white finish.

Soft close drawers and doors
Tempo doors are fitted with extra wide opening, soft close hinges offering easy access to your bathroom bits and pieces as well as giving controlled and quiet closure. The wall mounted drawer unit also features soft close drawer runners.

IMPACT

If it's **DRAMATIC EFFECT** you're after, then Impact will certainly make a statement. This sophisticated collection comes in a textured java finish or classic gloss white. Thick side panels on the wash basin unit and wall column add to its **STRIKING PRESENCE**.

Your Impact

Furniture Options

IMPACT FEATURES & FINISHES

10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

Wall column

The Impact wall column offers flexible storage with adjustable shelves in two compartments. The doors are reversible to allow for left or right hand opening and feature soft close, quick release hinges.

Chamfered plinth

The base of the wash basin unit incorporates a chamfered plinth and doors which allow you to stand as close as possible to the basin.

Oval wash basin

The distinctive oval ceramic basin with a raised lip at the back is both practical and stylish.

COURIER FEATURES & FINISHES

10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

Floor cupboard

The Courier floor cupboard comes fitted with attractive chrome handles. It also benefits from a reversible door to allow for left or right handed opening.

Soft close hinges

The semi-countertop unit and floor cupboard in this range are fitted with soft close dampers which are built into the hinges to give quiet, controlled closure.

Laminate worktops

Slimline laminate worktops are available in two finishes and three sizes. The slate effect worktop has a matt textured finish that perfectly complements the montana gloss units.

Easy installation

Courier back to wall WC and semi-countertop basin units benefit from removable fascias and plumbing voids for easy installation.

GROOVE

Groove's curves and subtle lines go together to create a **TRULY INDULGENT** and striking bathroom. **SUPER SLEEK STORAGE** units keep your bathroom clutter free. Available in gloss white and walnut finishes.

Your Groove
Furniture Options

GROOVE FEATURES & FINISHES

10 year guarantee
All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

Base units
The gentle rounded profile of Groove also doubles up as a cleverly concealed handle. The range comprises wall mounted or freestanding options. The freestanding unit comes in 600mm or 700mm widths to suit the size of your bathroom. Available in either gloss white or walnut finish.

Soft close furniture
This range benefits from soft close doors and drawers to give a controlled and quiet closure.

Contemporary worktops
Contemporary laminate worktops are available in three finishes: white, walnut and black granite to complement or contrast with your choice of Groove furniture.

ASPEN

TIMELESS appeal and functionality truly combine in this range of high gloss white bathroom furniture. With enhanced features such as soft close furniture and intelligent lighting, make a **STATEMENT** in your bathroom with Aspen's unassuming presence.

Your Aspen
Furniture Options

ASPEN FEATURES & FINISHES

Base units
All base units are supplied fully assembled and ready to fit. A strong and durable construction is achieved by using the finest manufacturing techniques. All visible exterior surfaces are finished using high gloss white lacquer. This quality finish provides a water resistant surface - vital within a bathroom environment.

Back to wall furniture
Aspen back to wall furniture enables the fitting of back to wall WCs and semi-counter top basins, cleverly concealing pipework and cisterns behind specially designed units.

Mirrors with demister pads
Heated demister pads make steamy bathroom mirrors a thing of the past and are fitted as standard on all mirrors with electrics.

Lighting
Aspen lighting canopies are fitted with low voltage halogen lamps which meet all applicable British Electrical Standards. A safe and easy to use infrared switch lets you activate the lighting by simply moving your hand under the sensor.

Laminate worktops, plinths & infill panels
Worktops and infill panels provide the flexibility to suit your own bathroom installation. Plinths are available in lengths of 920mm and 1540mm to complete the fitted look. These can be cut down so that any joints are carefully hidden behind the back to wall WC.

MERIDIAN

SUBLIMELY SIMPLE and fully flexible. Opt for the pared down design of the Meridian high gloss white finish. Express your own style with stand alone units or a sleek fitted intallation uniting the space as a **SEAMLESS** whole.

Your Meridian
Furniture Options

MERIDIAN FEATURES & FINISHES

Vanity freestanding units

The Meridian base unit doors and fascias are manufactured from robust MDF in a high gloss white finish. All units are supplied fully assembled for ease of installation with a stylish chrome door knob on the unit. The corresponding ceramic slab-top style basins complement the clean lines of the units.

WC back to wall units

The 500mm back to wall unit cleverly conceals unsightly pipe work. This can either be used as a stand alone item or alternatively form a run of furniture by butting it alongside any of the other base units to create a fully coordinated room setting.

Worktops, plinths & infill panels

Meridian worktops are available in 504mm or 804mm lengths, depending on your installation requirements. The 300mm floor cupboard is supplied complete with worktop and all base units are supplied with corresponding plinths. Should you decide to create a run of furniture, a 1220mm plinth is available. A 300mm infill panel helps fill any awkward gaps.

10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques and such is our confidence that we can offer a 10 year guarantee on all furniture units.

INSPIRING

SANITARYWARE

Clean lines, sleek surfaces, forward looking design. That's what you get with our range of sanitaryware. Whatever your personal style, you'll find something to inspire you - from standard basin, pedestal and WC formats in a range of styles and sizes, to back to wall and semi-countertop options, suitable for use with bathroom furniture.

NEW FOR 2014

ION

GEOMETRIC styling comes to the fore with this range. Ion's square basin and short projection D-shaped WC pans make it a **MODERN CLASSIC** which works extremely well in **SMALLER** bathrooms.

Your Ion

Sanitaryware Options

ION FEATURES

Basin & pedestal

The square-shaped basin features a spacious wash area and central tap hole. It can be used with its coordinating pedestal or, for a more contemporary look, wall hung with a simple chrome bottle trap.

WC pans

The Ion range has a whole host of WC options including a standard pan and 6/4L cistern, a back to wall pan and a wall hung pan. Additionally, a comfort height pan, several centimetres taller than a standard pan, helps reduce the burden on those tired legs.

Soft close toilet seat

The Ion wrap over design toilet seat complements this curvacious yet angular range and features soft close hinges to ensure controlled, quiet closure. Made from highly durable thermoset plastic with UV protection to prevent discolouration, it also features quick release, corrosion free top fix hinges for easy installation and removal for cleaning.

STRUCTURE

Looking for a contemporary design? Structure is simple, sleek and **BEAUTIFULLY SCULPTED**. With its **FLOWING LINES AND THIN EDGES**, this range will be the making of today's modern bathroom.

Your Structure
Sanitaryware Options

STRUCTURE FEATURES

Basin & pedestal
The Structure basin has a stunning thin edged design, available with 1 tap hole for monobloc mixers. The structure basin can be pedestal mounted or wall hung with a chrome bottle trap for an alternative look.

WC pans
The Structure WC pans have beautiful flowing lines and are supplied with concealed floor fittings. The close cloupled pan has an open back design to allow side access to the waste pipe.

Soft close toilet seat
The Structure seat has a contemporary wrap over design and is manufactured from high quality thermoset plastic. The seat has soft close, quick release hinges with a simple push and lift to remove operation.

Cisterns
The close coupled cistern has a water saving 4.5L full flush and 3L reduced flush. Compatible cisterns for your Structure back to wall pan can be found on page 125.

VITORIA

Introducing the **ELEGANT** and **TIMELESS** styling of Vitoria sanitaryware, the perfect bathroom solution for a period home.

VITORIA FEATURES

Wash basins

Vitoria basins are available with 1 tap hole or 2 tap holes to suit the style of your bathroom, both with chrome overflow cover and coordinating pedestal. The 2 tap hole basin has a hole for the chain stay waste.

WC choices

You have the option of high level, low level or close coupled WC. High and Low level WCs feature chrome plated brass downpipes. Low level and close coupled WCs have full flush and reduced flush operation (6/4L) with a ceramic cistern handle. The high level WC has ornate brackets and a 6L flush.

Soft close toilet seat

Wooden soft close seats incorporate a chrome plated bar hinge featuring top and underfix options with adjustable fitting. The Natural Oak seat is solid oak whilst the white seat is painted high gloss white.

Q60

A versatile range of sanitaryware which will **LOOK GREAT** in any bathroom and includes short projection items – **PERFECT** for where space is at a **PREMIUM.**

Your Q60
Sanitaryware Options

Q60 FEATURES

Wash basin
The Q60 basin can be mounted on its matching pedestal or on top of Q60 furniture. Alternatively the basin can be wall mounted with a chrome bottle trap. At 395mm in depth it's perfect for smaller bathrooms and en-suites.

WC pans
The short projection close coupled and back to wall WC pans in our Q60 range are also ideal where space is at a premium.

Soft close toilet seat
The Q60 thermoset toilet seat features soft close hinges for quiet closure of the seat and ring, whilst the top fix mechanism allows for ease of installation.

Cisterns
Compatible cisterns for your Q60 back to wall pan can be found on page 125.

OXYGEN|8

SHOWER ENCLOSURES

The OXYGEN|8 range from Tavistock breathes life into your daily routine. Treat yourself to one of our contemporary designer enclosures or wet room style glass panels – it is the perfect way to start or finish your day.

The range is characterised by quality, superb attention to detail and well considered design features to give you an invigorating and refreshing showering experience.

SLIDING DOOR QUADRANT

Perfectly proportioned in a choice of two sizes, the sliding door quadrant offers a true style statement. The combination of great functionality and space saving design makes them ideal for corner installations. The sliding door quadrant is available as a single or double door option.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm toughened safety glass | Brass and stainless steel rollers with a quick release function allowing the doors to swing away for ease of cleaning | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | Wall profiles give a maximum of 40mm adjustment 20mm each side, for out of true walls | The single door option can be fitted to open from the left or right.

OFF-SET SLIDING DOOR QUADRANT

For those wanting a bit more space when showering, this is the option for you. Available in a choice of three sizes to complement different bathroom spaces, and with a smooth gliding door action, it delivers a real style statement for a corner installation. This product consists of one curved sliding door, one curved fixed panel and one straight fixed panel.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Brass and stainless steel rollers | Quick release function allowing the doors to swing away for ease of cleaning | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | Wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

STRAIGHT SLIDING DOOR

Sliding doors are available in four sizes and can fit into a recess or, when used with a side panel, can optimise the space in a corner. This design offers great versatility and is perfect for those wanting to replace a bath with a super size shower enclosure. This product consists of one sliding door and one fixed panel.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Brass and stainless steel rollers | Quick release function allowing the doors to swing away for ease of cleaning | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | Wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

HINGED DOOR QUADRANT

The hinged door quadrant delivers a semi-frameless, uncluttered and desirable look for smaller bathrooms and en-suites. Available in 900mm x 900mm it provides plentiful space without compromising on form or functionality. The door can be left or right handed to provide greater versatility. This product consists of one curved hinged door and two curved fixed panels.

This enclosure comes with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | Brass hinges | Wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

BI-FOLD

Designed for those who are short on space but not on style. The bi-fold door expertly combines space-saving with great design and functionality. Available in three sizes, it is most suited to recesses but can be used with a side panel to offer even more versatility. This product consists of two glass panels with a chrome plated brass bi-fold hinge.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | The wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

WALK-IN PANELS & ENCLOSURES

For the ultimate in minimalist design, opt for a walk-in shower enclosure. They can be used with or without end panels to create a spacious, sleek look. The seamless glass panel creates a clean uncluttered line and can be used either with our low profile shower trays in a conventional bathroom, or without in a wetroom installation. This product consists of one glass panel, wall post, stabilising bar and floor bracket.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip.

AVAILABLE SIZE FORMATS

DEFLECTOR PANELS

Deflector panels give you the definitive look for wet room design. Available in four sizes the lustrous panel of glass, with its chrome towel rail, is simply fixed to the wall with chrome stabilising bars. This creates a walk through shower enclosure and a real style statement for the contemporary bathroom. This product consists of one glass panel, two stabilising bars, floor brackets and a chrome towel rail.

This product comes with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass.

TAPS

Taps are no longer just a minor detail. They're the finishing touch, lifting your bathroom from the mundane to the truly special. The right taps must combine the two key ingredients of design and functionality - in short, they must look good and they must work well. With that in mind, we have designed a range of taps which really shine.

NEW FOR 2014

STRIKE FEATURES

Low pressure
Suitable for all plumbing systems including conventional gravity fed systems and will operate at 0.2bar or above.

Lever action
The single lever action makes the Strike basin mixer extremely easy and practical to use.

Ceramic cartridge technology
Smooth, easy to use action giving accurate flow control.

5 year guarantee
Our taps are manufactured in a closely controlled environment with extensive quality control tests carried out. It is this attention to detail that allows us to confidently offer all of our taps with a 5 year guarantee.

STRIKE

Strike's **TAPERED** body is echoed in its slim lever handle to create a simple yet **DISCERNING** look for your bathroom. Sure to be the next design classic.

WASTES AND TRAP

Our tap ranges are perfectly complemented by our stylish and modern chrome plated bottle trap and collection of wastes. All bath taps are supplied without wastes as it is usual to purchase your waste with your bath. We have a choice of bath wastes with overflow in 2 different lengths depending upon your installation requirements.

Taps supplied with a pop-up waste include a waste outlet, pop-up rod and lifting mechanism. Please note that Strike, Melody, Voice, Q60, Hype, Kick, Lift, Blaze, Siren, Index and Logic mini and basin mixers are supplied with a click waste. For taps supplied without pop-up wastes, we have a few waste options as shown. Unslotted wastes are for use where no integral overflow is required in the wash basin.

WASTES AND TRAP PRODUCT INFORMATION

	Product	Code	RRP inc VAT	
1	65mm Unslotted Click Waste	WASTE6	**£14.96**	**€18.86**

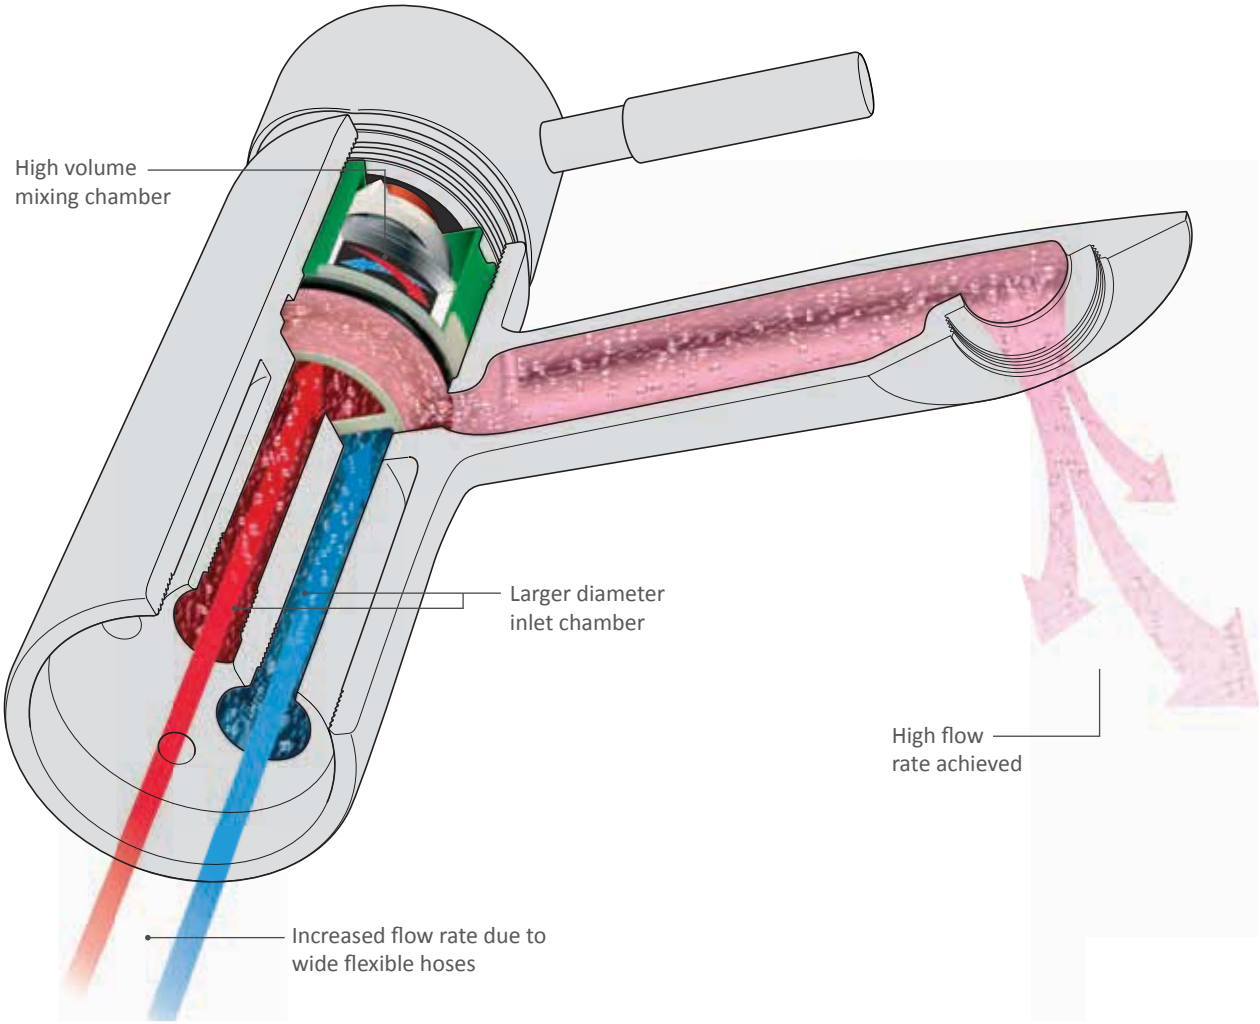
DESIGN DETAIL



Tap Operating Pressure

Plumbing systems can sometimes suffer from poor flow rates. The UK is unique in that many homes are still using the more traditional, low pressure gravity fed plumbing systems which are most commonly found in older properties.

European manufacturers tend to design taps suitable for more modern plumbing systems which can often cause problems when installed in a typical UK home, resulting in a disappointing flow rate when using the taps.

Tavistock's in-house design team have recognised this problem and engineered our taps so that all of them are suitable for use with both high and low pressure systems.

Most of our taps operate at 0.1bar or above (0.1bar is equal to 1 metre head of water). In plumbing terms this means, for a gravity fed system, if the base height of your water tank is 1m above a tap, then you will have 0.1bar of water pressure at the tap.

If you are unsure, we recommend you seek advice from your plumber who will advise you on the plumbing system you have and the likely water pressures it can achieve. If pressures are too low even for our low pressure taps, you will be able to increase your water pressure using a suitable water pump, and again either your retailer or plumber can advise you on this. Please note that all of our taps are also suitable for high pressure plumbing systems.

INSPIRING

CABINETS

Our stylish range of cabinets will give you a calming, clutter-free space. You can treat yourself to a variety of special touches, such as soft close doors, double sided mirrors, integrated lighting and even internal shaver/ toothbrush re-charging sockets.

NEW FOR 2014

CONDUCT FEATURES

Energy saving functional lighting
Conduct cabinets feature overhead lighting using energy efficient diffused LEDs to create bright, stunning illumination.

Adjustable shelves
Conduct cabinets are supplied with two adjustable shelves, providing ample storage for all your bathroom products.

Anodised aluminium construction
Solid, robust aluminium-bodied construction makes your Conduct cabinet hardwearing, rust proof and easy to maintain.

IP44
Our cabinets have been designed and independently tested for compliance with electrical equipment (safety) regulations. Cabinets which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Please see the diagram on page 258 which illustrates zones within a standard bathroom.

CONDUCT

With its integrated **ENERGY SAVING LED** lighting, soft close mirror doors and plenty of storage space the Conduct cabinet range is super stylish and looks stunning.

MIRRORS

With a myriad of additional touches such as heated demister pads and ambient lighting, our mirrors will give your daily routine a special lift. The right mirror will enlarge the smallest of spaces, reflecting light and brightening your room and your day.

All of our illuminated mirrors are IP44 rated, so whichever mirror you choose you can be sure that it has been tested for safe use in the bathroom.

NEW FOR 2014

CORE LED ILLUMINATED MIRROR

LED STANDARD & BACKLIT LED MIRRORS

Add some **SPARKLE** to your bathroom with one of our bright LED mirrors. We have added two **NEW LED BACKLIT MIRRORS** to the range which utilise the very latest in energy saving LED technology.

STANDARD LED MIRRORS

BACKLIT LED MIRRORS

LED ILLUMINATED MIRROR FEATURES

Infrared on/off switch
A safe and easy to use infrared on/off switch lets you activate lighting without the need to touch the mirror. Simply move your hand in front of the sensor to activate.

Important: When mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

Re-charging socket
An integrated power socket for electric shavers and toothbrushes.

Heated demister pads
Heated demister pads heat the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms.

Ambient lighting
For additional mood lighting in the bathroom, stunning effects are created with ambient LED lighting.

Tapered body
The tapered body profile gives our mirrors an elegant, floating effect.

Zones for electrical equipment in close proximity to bath & showers
Our mirrors have been designed and independently tested for compliance with electrical equipment (safety) regulations. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Please see the diagram on page 259 for further information.

VAPOUR ILLUMINATED MIRROR

BACKLIT MIRRORS

Feel like a film **STAR** when you add a **STUNNING** fluorescent backlit mirror to your bathroom

BACKLIT MIRRORS

Bright & practical Lighting

FLUORESCENT BACKLIT ILLUMINATED MIRROR FEATURES

Infrared on/off switch
A safe and easy to use infrared on/off switch lets you activate lighting without the need to touch the mirror. Simply move your hand in front of the sensor to activate.

Important: When mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

Re-charging socket
An integrated power socket for electric shavers and toothbrushes.

Heated demister pads
Heated demister pads heat the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms.

Ambient lighting
For additional mood lighting in the bathroom, stunning effects are created with ambient lighting.

Tapered body
The tapered body profile gives our mirrors an elegant, floating effect.

Magnifying glass
A useful illuminated magnifying mirror, which magnifies objects to double their size, is great for shaving and applying make-up.

Zones for electrical equipment in close proximity to bath & showers
Our mirrors have been designed and independently tested for compliance with electrical equipment (safety) regulations. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Please see the diagram on page 259 which illustrates zones within a standard bathroom.

Magnifying mirror

Tapered body

Re-charging socket

Ambient lighting

Infrared sensor

Heated demister pad

All these features do not apply to every mirror. See details on each mirror to see which features apply.

EQUALISE ILLUMINATED MIRROR

SBL17	Equalise Illuminated Mirror (40 watts) 600(w) x 800(h) x 50(d)	**£400.50** **€504.92**

INSPIRING

BATH PANELS & TOILET SEATS

The difference is in the detail. The right bath panel and toilet seat will enrich and complete your bathroom design. Whether you prefer traditional elegance or a bold contemporary look, you'll find the finish and style to suit your taste. Treat yourself to special touches such as real wood veneers and soft close hinges.

BATH PANELS

Our white or wood veneer bath panels will
COORDINATE perfectly with your bathroom look.

Your
Bath Panel
Options

WOODEN BATH PANELS

CONTEMPORARY BATH PANELS

CONTEMPORARY WALNUT FINISH			
BP300AW	1700mm Side Panel	£194.59	€245.34
BP301AW	700mm End Panel	£94.62	€119.29
BP302AW	750mm End Panel	£106.27	€133.97

This contemporary bath panel will coordinate with the walnut finish in our Kobe or Groove furniture ranges.

This panel is supplied with a height adjustable plinth.

Please note these panels are PVC foil wrapped and not necessarily an exact match against real wood products.

Overall height 430mm-560mm.

ETHOS BATH PANELS

gloss white

beech

walnut

natural oak

ETHOS GLOSS WHITE FINISH			
EPP304W	1800mm Side Panel	£85.00	€107.16
EPP301W	1700mm Side Panel	£75.95	€95.76
EPP302W	700mm End Panel	£40.56	€51.14

ETHOS BEECH FINISH			
EPP301B	1700mm Side Panel	£75.95	€95.76
EPP302B	700mm End Panel	£40.56	€51.14

ETHOS WALNUT FINISH			
EPP301AW	1700mm Side Panel	£81.10	€102.25
EPP302AW	700mm End Panel	£42.98	€54.19

ETHOS NATURAL OAK FINISH			
EPP301O	1700mm Side Panel	£75.95	€95.76
EPP302O	700mm End Panel	£40.56	€51.14

The contemporary pared down design of the Ethos panel will add the perfect finishing touch to your bathroom.

Ethos is manufactured from 12 mm MDF, and features a high quality real wood veneer or painted finish | Available in walnut, beech, natural oak or gloss white painted finish, sealed with a moisture resistant coating | Supplied in 1700 mm and 700 mm lengths | The white finish is also available in 1800mm length.

Bath panel height 515mm including 5mm lip.

ASPEN BATH PANELS

Coordinate with Aspen Furniture

ASPEN WHITE FINISH			
A304	1800mm side panel	£192.05	€242.12
A305	800mm end panel	£121.18	€152.77
A301	1700mm side panel	£160.06	€201.79
A302	700mm end panel	£93.77	€118.22
A303	750mm end panel	£105.17	€132.59

Aspen bath panels are manufactured from 20mm durable MDF with a tough, high gloss lacquer, providing a water resistant surface, vital within the bathroom environment.

Coordinating bathroom furniture is available, see pages 74-79 | Bath panel supplied with height adjustable plinth allowing an overall height of 430mm - 560mm.

MERIDIAN BATH PANELS

Coordinate with Meridian Furniture

MERIDIAN ROUTED WHITE FINISH			
MPR2W	1700mm Side Panel	£96.85	€122.11
MPR2EW	750mm End Panel	£59.92	€75.55

MERIDIAN PLAIN WHITE FINISH			
MPP3W	1700mm Side Panel	£59.94	€75.57
MPP3EW	700mm End Panel	£36.99	€46.63

There are a selection of bath panels to complement your installation. The white routed panels offer great versatility as they can be cut down to size (front panel: 1700mm to 1500mm and end panel: 750mm to 700mm) without affecting the design. The plain white front and end panels are simple and stylish and offer great value for money.

Coordinating Meridian bathroom furniture and toilet seat are available, see pages 80-83 for co-ordinating furniture and page 226 for coordinating toilet seat.

Bath panel height 520mm.

Meridian is also available in a plain finish

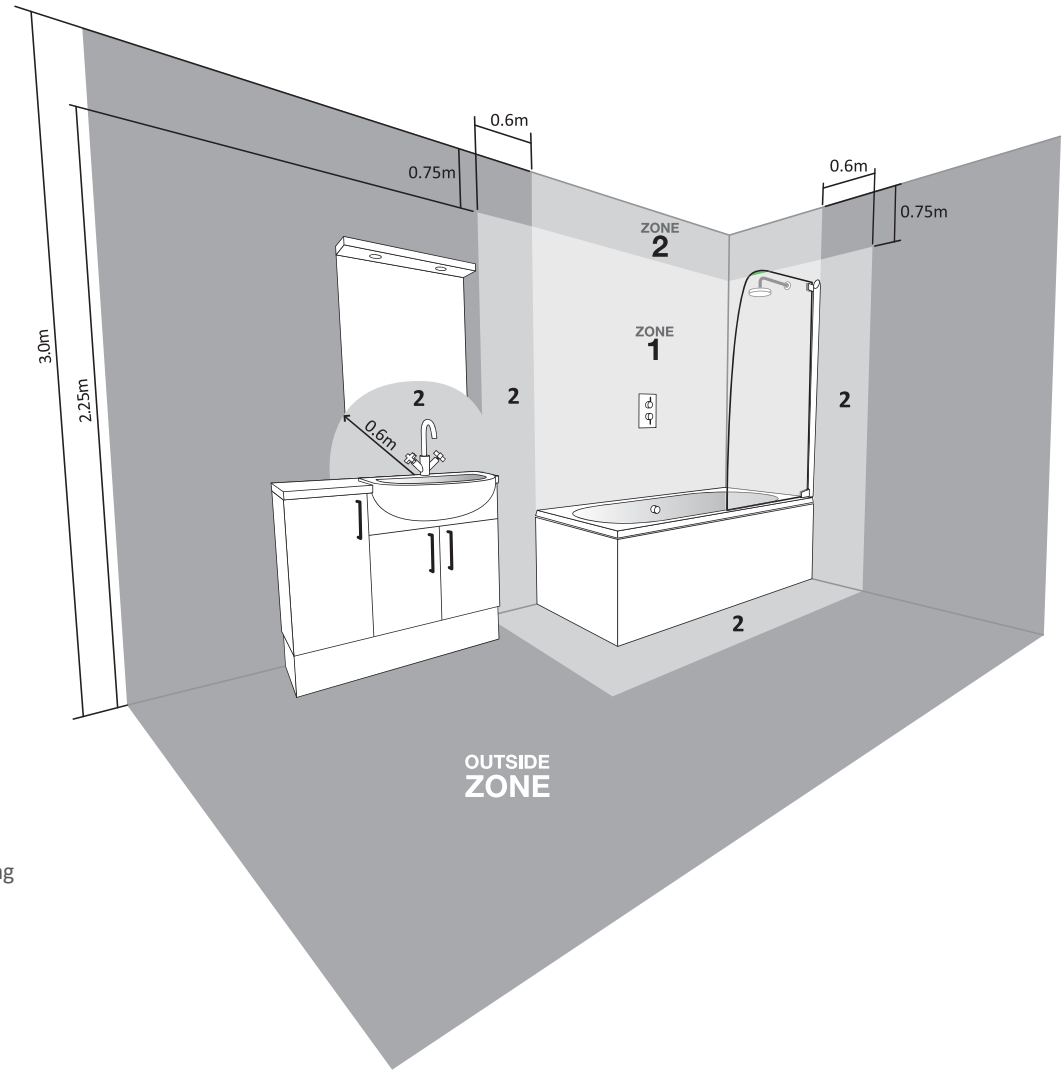
Tavistock Bathroom Safety



ZONE 1

Electrical fittings in this zone require separated extra low voltage and a minimum rating of IP44 (splash proof).

ZONE 2

Electrical fittings in this zone require a minimum rating of IP44 (splash-proof).

BATHROOM SAFETY

Mirrors Technical Information

Important - All mirrors featuring infrared technology must be mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function of the infrared sensor. Tavistock illuminated mirrors have been designed and independently tested for compliance to electrical equipment (safety) regulations.

All electrical connections should be made according to the latest national wiring regulations. Illuminated mirrors are suitable for installation in the bathroom within outside zones unless stated. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Illuminated mirrors are not suitable for installation in saunas, steam rooms, shower cubicles or above a bath tub. Products are only suitable for permanent installation. Installation by a suitably qualified electrician is required.

Cabinets - Electrics

Our illuminated cabinets have been designed and independently tested for compliance to electrical equipment (safety) regulations. Idea cabinets are only suitable for use outside zones 1 & 2 according to the latest IEE regulations. All Idea cabinets are class 1 insulated and require an earth connection.

IMPORTANT - all cabinets featuring infrared technology must be mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function of the infrared sensor.
