SHOWERS

At Tavistock, good design without great functionality just won't wash. That's why our range of thermostatic showers is designed to give you the best showering experience. They come with everything you need for quick and easy installation and have been built to last. They're great value too so you don't have to splash out.

The Varsity Collection

When aiming for a more period look, select one of our traditional Varsity shower systems to add just the right finishing touch.

VARSITY

FEATURES

All Varsity shower systems include the following features:

- Automatic shut down should cold water pressure suddenly fail
- Anti-Scald thermostatic control for safe showering
- Built in limescale resistance
- Complete shower kit ready to install
- Adjustable shower arm
- 10 year guarantee

Coordinating Taps

Pair the Varsity shower system with the traditionally styled coordinating Varsity taps. The range includes a basin mixer, basin taps, bath filler and a bath shower mixer & handset.
See pages 166-167 for further details.
