SHOWERING
COLLECTION

introduction

“accept no imitations”

The Aquadart range blends the latest premium designs together with the highest levels of detail, quality and customer service.

A British company with unrivalled experience within the bathroom industry, we are passionate about our reputation for innovation, superior quality and value.

Our shower enclosures are designed in Britain by our highly skilled designers at our West Yorkshire head office to ensure we provide beautiful products for the most stylish of homes.

All our ABS capped shower trays are proudly designed and manufactured in Britain and ensure a perfect fit with our enclosures. Together they are backed by a lifetime guarantee.

ROLLA 8

NEW MATT BLACK

Our Rolla 8 from Aquadart now comes in Matt Black and has an optional closing seal and corner post. This range can be configured to create a unique showering space. See pages 48-61 for the full range.

06

Make a style statement with our striking smoked glass with black profiles and hinged return, mix with contemporary accessories to create a sophisticated space.

Anti-Slip 05

easier to clean & keep clean

Glass protection is now an important feature of a shower enclosure. A good glass protection system will create a long lasting barrier which will never discolour, peel or crack. Following extensive research, we chose to use the Clean & Clear™ Easy Clean Glass Treatment, a market leading treatment which we trust to protect all our Aquadart enclosures.

Our Clean & Clear™ glass protection system is both innovative and highly beneficial. It creates a protective barrier which is applied to all Aquadart enclosures and screens as standard. The 'non-stick' surface resists lime scale build-up and water spots, which hinders bacteria growth for a more hygienic environment, whilst reducing the need to clean by half.

Normal Glass

Clean & Clear™
Easy Clean Glass Treatment

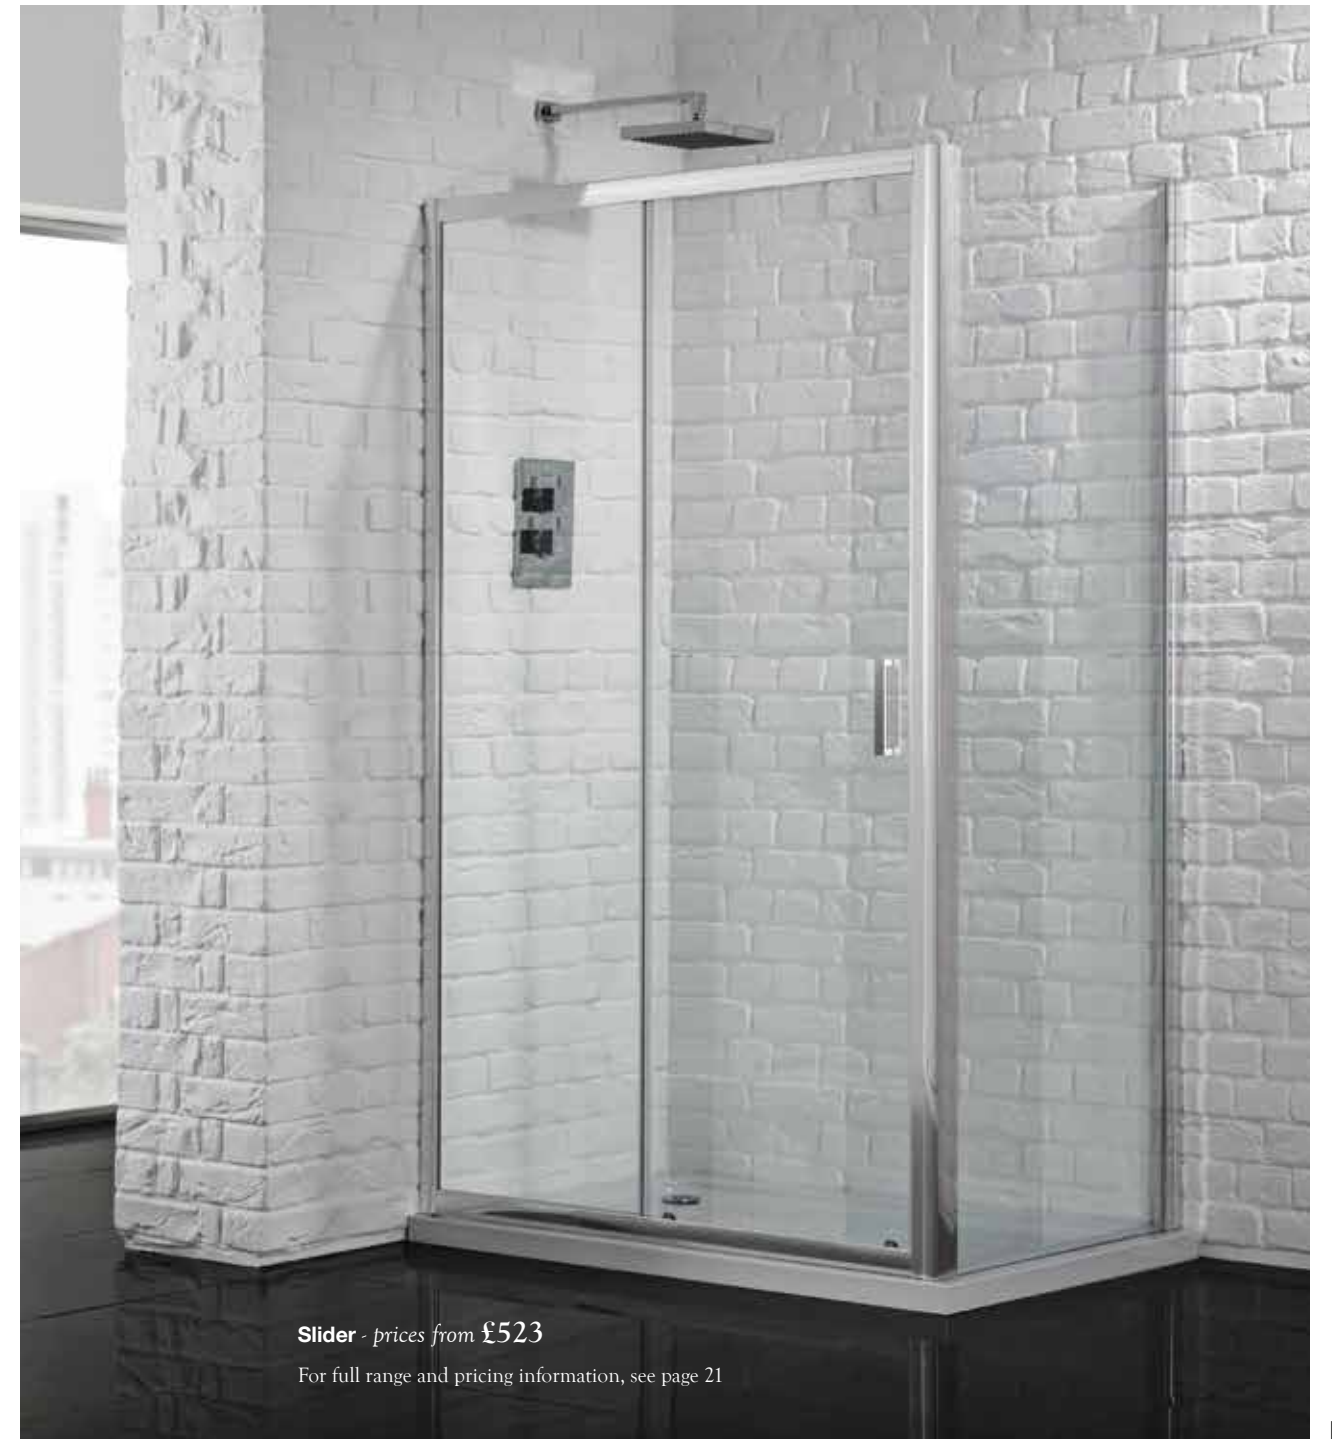

6mm enclosure range

Venturi 6 offers a comprehensive collection of enclosures by mixing quality materials with stylish designs. This extensive range from Aquadart will provide a showering solution for every bathroom in every home.

slider | U shape quadrant

The Sliding Door with its smooth glide runners is a pleasure to use. For use along a straight wall, the U Shape Quadrant makes quite a statement with it's unusual shape and generous showering area.

double | single quadrants

The Venturi 6 Quadrants are perfect for maximising showering space whilst providing a stylish addition to your bathroom. Choose from a Double Door option or the minimalist Single Door model.

bifold door framed | frameless

With an inward folding door, the Bifold Door is a perfect choice for even the smallest of bathrooms. Available in a fully framed model or a frameless design.

Framed Bifold Door - prices from **£512**
For full range and pricing information, see page 23

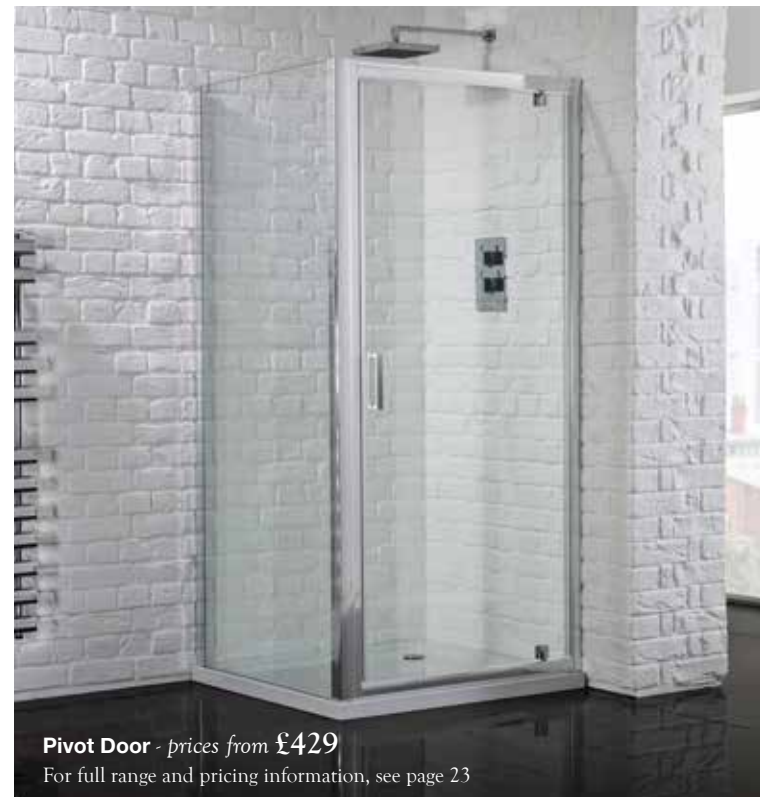

Frameless Bifold Door - prices from **£558**
For full range and pricing information, see page 23

pivot door & inline panel

The Venturi 6 Pivot Door with its sleek design has a modern streamlined pivot block.

The Inline panel shown here with the Pivot Door creates additional sizing flexibility and is supplied with a support bracket.

SHOWERING REDEFINED

ROLLA 8

rolla 8 sliding door

Smart design, precision geometry and versatility define Rolla 8. This exciting frameless range has the minimalistic look of a wetroom yet incorporates the practical, functionality of an enclosure. Beautifully engineered rollers, soft stop buffer and new **CLEAR⁺SEALS** together have created a revolutionary, flexible product. Use with a contemporary slimline tray or wetroom installation.

NEW Corner Post allows the door to close against a wall or window.

The **Matt Black** finish is anodised for increased durability which is integrated with the substrate rather than applied to the surface for superior quality and longevity.

Striking **Eyelet Handle** echoes the contemporary design of the rollers.

NEW Closing seal creates an enhanced watertight seal without the need for an additional wall profile.

rolla 8 sliding wetroom

Achieve a striking and contrasting look with our New Rolla 8 black option. Use as a wetroom - clean, simple lines with the added advantage of a water guard.

Sliding Panel Matt Black - prices from £696
For full range and pricing information, see page 61

rolla 8 slider recess

Optimise your bathroom space with the Rolla 8 recess option - the rollers effortlessly glide the door into place.

Sliding Panel & Recess Wall Profile - prices from £776
For full range and pricing information, see page 59

rolla 8 slider enclosure

Create a striking frameless enclosure by adding a side panel to the Rolla 8 sliding panel - functional, minimalist showering.

Sliding & Side Panel - prices from **£939**
For full range and pricing information, see page 59

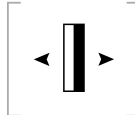

Maximise smaller spaces with the Rolla 8 Wetroom & Closing Seal, achieving an ample & luxurious showering area regardless of minimal space, architectural obstacles or limited mobility.

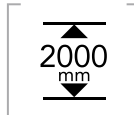

The NEW Closing Seal offers an enhanced watertight seal whilst also creating an enclosed showering area without the need for an additional wall profile.

wetroom 8

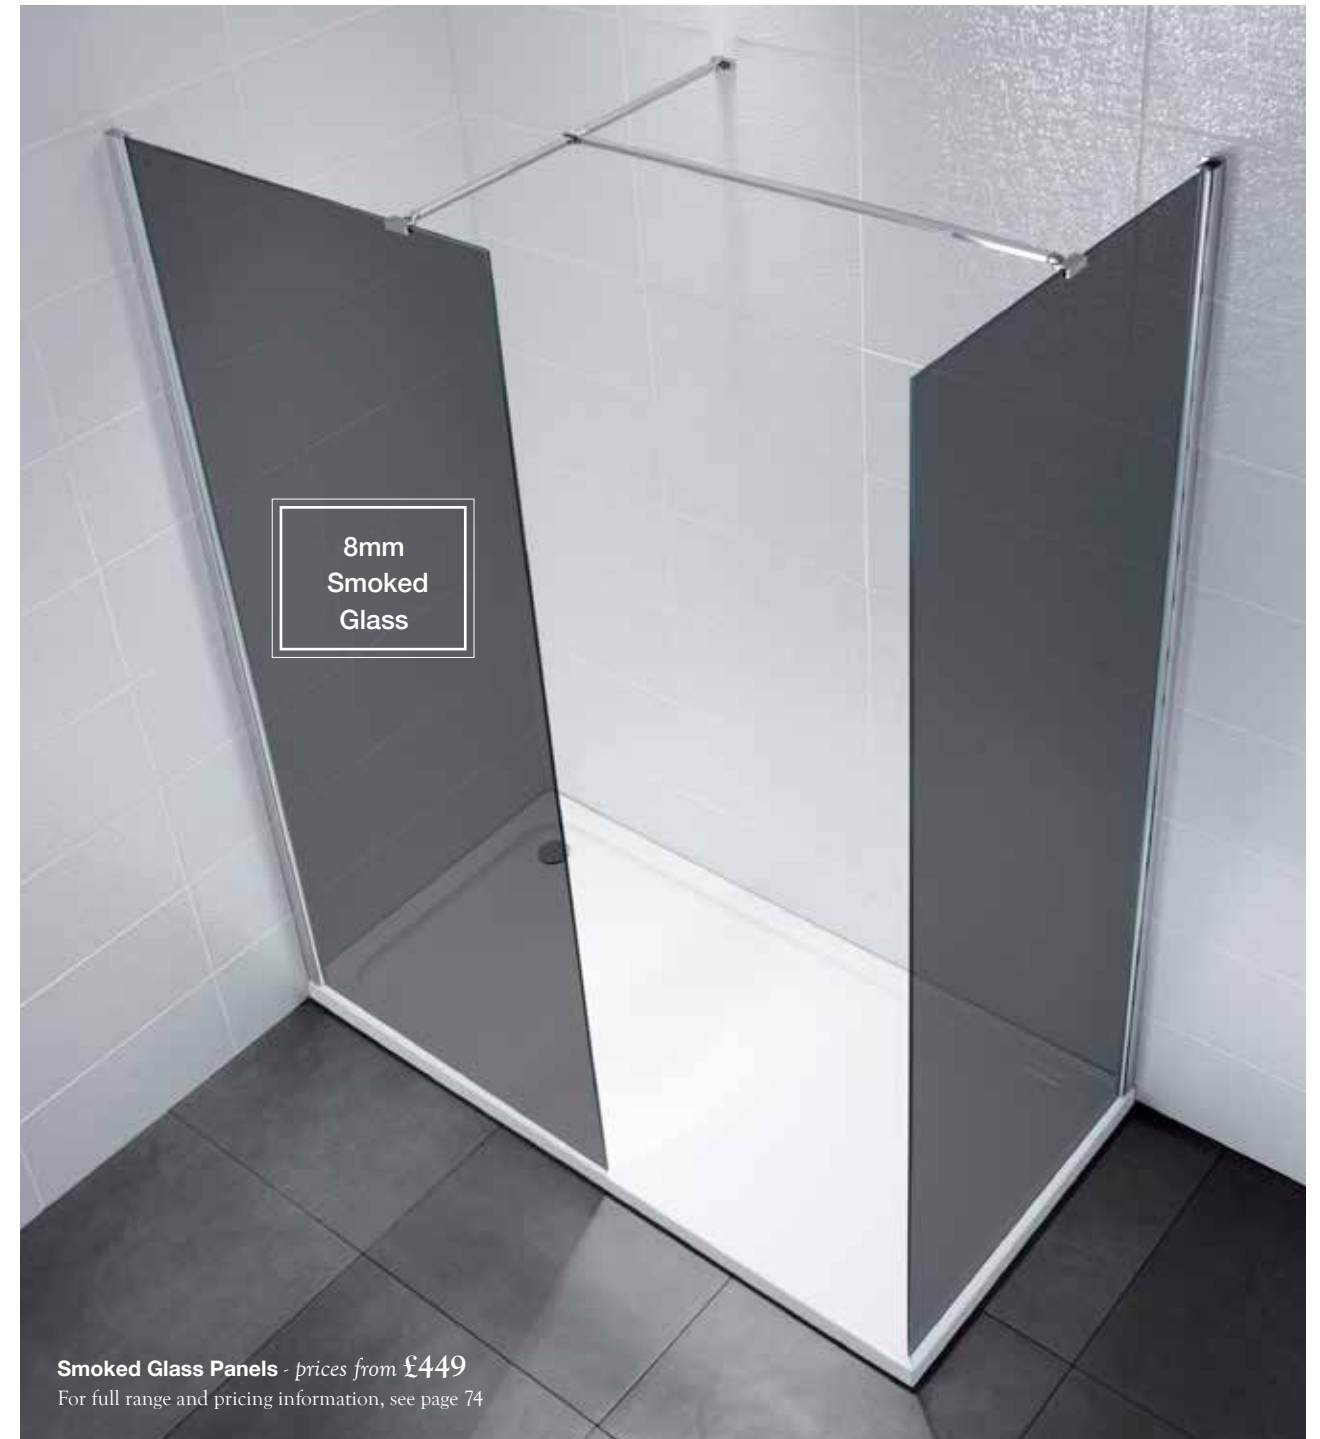

8mm wetroom panels

The contemporary 8mm Aquadart Wetroom glass panels can be used in many configurations for a truly tailored showering space.

Now available in a Smoked Glass option in various sizes.

wetroom 8 features

The Wetroom 8 range features a slimline contemporary wall profile with the addition of a ceiling support arm and stylish floor channel to complement the range.

Smoked Glass Panels - prices from £449
For full range and pricing information, see page 74

walk-in with flipper panel

The wetroom flipper panel acts as a deflector to minimise water splashes, pivoting through 210° for ease of access. It can be fitted to all Aquadart 8mm wetroom panels including existing panels.

Wetroom Panels with Flipper - prices from £908
For full range and pricing information, see page 75

walk-in and side

Clean simple lines and minimal framing. Here two wetroom glass panels create a Walk-In & Side. A touch of glamour for your bathroom.

Wetroom Panels - prices from **£684**
For full range and pricing information, see page 75

panel with ceiling arm

The ultimate in minimalist showering, the wetroom panel is held securely by a contemporary ceiling arm, creating a walk-in wetroom suitable for the most stylish of homes.

Wetroom Panel with Ceiling Arm - prices from £388
For full range and pricing information, see page 75

hinged return panel

The wetroom with return panel not only provides a pivoting deflector to minimise water splashes but also creates a sophisticated showering solution. Suitable for tray or wetroom installations.

Wetroom Panel with Hinged Return - price **£633**
For full range and pricing information, see page 75

venturi 6 swiftseal bath screens

Our range of Swiftseal bath screens are designed to ensure a tight seal along the bath edge. To create a secure fit, pull the Swiftseal arm down from the side of the screen and clip the arm into place to ensure a tight seal. There are two new additions in the Swiftseal range and a new hinged bath screen in a Black or Silver finish.

This is a selection of our showering products, to see the full range visit www.niagarabathrooms.co.uk

2020 collection product information

Shower Enclosures

All products are manufactured in accordance with ISO 9001 and ISO 14001. All glass fully conforms to the relevant EN standards for toughened safety glass. All aluminium sections are extruded from alloys which comply with relevant EN standards. Doors and enclosures are tested in accordance with the relevant EN standards and are suitable for use with modern power showers. Profiles are adjustable to compensate for out-of-true walls, please see specific product details for levels of adjustment. Products are supplied with full installation instructions and fixings.

Guarantee Information

Aquadart guarantees cover all manufacturing defects. This guarantee does not cover damage during fitting or misuse. The guarantee applies only to the original purchasers of the product and is not transferable. To register your guarantee visit www.aquadart.co.uk where you will also find our terms and conditions.

Shower Enclosures

All shower enclosures carry a lifetime guarantee when fitted with an Aquadart shower tray. A 10 year guarantee will be given when fitted with any other manufacturer's tray. Wetroom panel guarantee applies as above. When panels are installed without a tray, a lifetime guarantee applies.

Shower Trays

All shower trays carry a lifetime guarantee.

Prices

The prices included within this brochure supersede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices are subject to alteration without notice.

Errors & Omissions

In the interest of continuing design and development and product improvement, Aquadart reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

Measurements

All dimensions are in millimetres and are nominal, they are provided as guidance only. *Please note:* measurements are not suitable as template for mosaic tiles/bespoke wetroom floors.

Cleaning Instructions

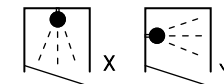

It is important to clean your Aquadart shower enclosure after every use. Please wipe down all the glass and metal parts with a clean soft cloth. Ensure that all residual water on the glass is removed after every use.

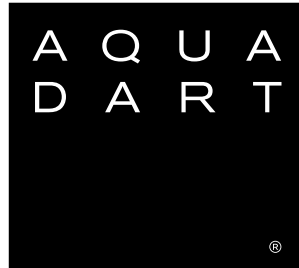

Clean and Clear™

Clean and Clear™ glass can be cleaned with any suitable non-abrasive glass cleaner - with PH value of between 3-11; the coating will not be damaged. Avoid surfactants and heavily perfumed products. Vinegar and water based products are very effective. Do not use abrasive scrubbing cleaners or equipment for cleaning. Install your enclosure in a well ventilated area.

Usage

For reliable, watertight performance from your Aquadart enclosure your shower head should not be positioned so that the shower sprays directly onto the enclosure door. Failure to comply with this may cause the shower to leak. Outward opening doors may cause water to drip onto the floor, please ensure that the floor covering immediately outside the enclosures will not be affected by water.
