The elation® Fitted furniture range provides a practical yet stylish solution to bathroom storage together with an enviable level of quality and choice.

With the combination of good design and style, our versatile furniture range allows you to create the perfect bathroom with all the storage you will need.

In our standard fitted range there is a choice of a contemporary slab door or a more traditional shaker door in a range of finishes.

The Natural range has a premium solid wood framed Shaker door available in a Natural Oak & Dark Walnut finish. The solid wood framed door creates a classic look, whether in a traditional or contemporary bathroom. The Natural range is indicated by this icon.

Visit our new website to see the full elation® Fitted range and use our new Selector feature which will help you decide from the many colour and style combinations that elation® Fitted has to offer.

www.elationbathrooms.co.uk

The Selector allows you to select your choice of door style, colours, worktops and handles, so you can try out the many combinations before you make your final decision to create your perfect bathroom.

The Fitted furniture range gives you the perfect solution to bathroom storage, for ease of fitting and installation these units come preassembled. Quality 18mm carcasses and doors give durability with matching carcass interiors and solid 18mm backs to all units with the exception of the WC unit. The doors are vinyl wrapped and are colour matched on the reverse. Double sided mirror doors along with slow close on doors & drawers add that luxury finishing touch.

There is a large range of laminate worktop colours to choose from to suit your scheme and the solid worktops add a premium feel which can be cut to size using standard wood working tools.

A range of floor and wall units are available for a perfect solution to bathroom storage. All standard and reduced depth carcasses can be fitted with a plinth, wall hung or freestanding giving versatility to the range, create the perfect space to suit your style and taste.

The elation® Fitted Natural range of solid wood framed doors in Natural Oak or Dark Walnut finish create a classic look in a traditional or contemporary bathroom or ensuite.

elation® Fitted furniture is proudly designed and manufactured in the UK.

Eko is perfect for even the smallest of bathrooms, cloakrooms and ensuites. The compact 450mm washbasin maximises storage with a soft close door instead of a drawer, while the wall mounted design of the Eko range, clever storage for small spaces.

The Eko range is available in a number of finishes for you to select from. Choose the same sophisticated finish throughout or make a striking statement with one of our wood and high gloss combinations.

The 550mm basin unit shown is an ideal size for most bathrooms, providing a contemporary alternative to a standard basin and pedestal.

With the latest in basin design, the Eko Gelstone basins are extremely durable and easy to clean, with a generous washbowl and surround. The highly defined edges and clean lines perfectly complement the Eko washbasin units.

The WC unit neatly conceals a cistern frame, suitable for both wall hung and back to wall pans for a fully co-ordinated look.

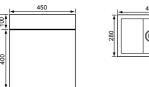

Every Eko drawer has premium slow close runners to ensure silent and safe closing. The concealed internal drawer is ideal for storing smaller items with an optional compendium tray to keep everything in its place.

The mirror wall units have a sensor activated overhead light; simply pass your hand under the sensor to activate. Double sided mirror doors with premium soft close hinges and an integrated shaver point complete the units.

Based on traditional design, this range of freestanding furniture will create a classic look in any home.

Combined with a contemporary ceramic basin and shaker doors this stylish design produces a traditional but modern vanity unit. With two sizes to choose from, the vanity units will fit most bathrooms, ensuite or cloakroom. The tall unit complements both vanity units and has an open glass display shelf. The matching mirror completes the look and can be hung either landscape or portrait to suit. Available in Natural Oak, White Gloss & Walnut finishes.

Development

In the interest of continuing design and development and product improvement, Cavalier reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

Measurements

All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

The prices included within this brochure supersede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices are subject to alteration without notice.

IMPORTANT: All electrical installation work must be carried out by an approved qualified electrician. Under no circumstances should any electrical work be carried out by unqualified persons.

All electrical components are suitable for outside of Zones 1& 2 bathroom

After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool.

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD)

All electrical products are certified to the appropriate BS-EN standards.

All our furniture ranges are covered by a 5 year guarantee from the date of purchase, which covers all manufacturing defects. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

In the unlikely event that the product fails within the 5 year guarantee we will replace the part (or nearest equivalent) of the product which has failed. Notice must be provided in writing detailing the product failure. Liability is limited to individual products and does not cover consequential loss or damage, installation costs or financial compensation. The customer will be required to pay for the cost of installation of the replacement part. The guarantee is in addition to and does not affect your statutory rights. Further terms and conditions are available upon request.
