*It's more than a  
bathroom,  
it's a lifestyle!*

If you have been considering giving your bathroom a new lease of life or a complete overhaul but aren't sure where to begin we have compiled this section dedicated to showcasing the key themes and trends that are set to make a big impact in 2015. We've taken onboard industry insight alongside the activities of our product development team to detail trends that can not only instantly reinvigorate a space, but those that are easily replicated, can be tailored to individual styles and show signs of longevity.

## *trends in more detail...*

### minimalism

The move towards cleaner lines and an uncluttered aesthetic help to create serene spaces that have no excess, yet still exude a warmth, character and beauty. Embracing this trend gives an instant contemporary feel, whilst the clever use of floating vanities and simple lines enhance the illusion of space, creating inviting environments for relaxation.

### touch of black

Monochrome is once again making a bold statement throughout interiors. A trend that is truly timeless and can be constantly reinvented and energised through the incorporation of accent shades and bold accessories. The introduction of a contrasting black against white is great at bringing drama, structure and elegance to a bathroom.

### storage solutions

Incorporating functional and beautiful bathroom storage solutions is a trend that is set to grow. Transforming even the most compact of bathrooms into organised and stylish spaces. Our Fitted ranges offer innovative ways to maximise the space you have and the way in which you intend to use it, with open storage units allowing you to make a style statement.

### shades of grey

The grey palette has already seen considerable popularity throughout 2014, a trend predicted to continue. These moodier hues are calming and create a sophisticated aesthetic that work harmoniously with brighter shades and contrasting textures. Our recently introduced Nara range comes in a Graphite Gloss, holding a brown undertone that injects a warmth to the shade that is great for layering.

The elation® Fitted furniture range provides a practical yet stylish solution to bathroom storage together with an enviable level of quality and choice.

With the combination of strong design and style, our versatile furniture range allows you to create the perfect bathroom to meet all your storage requirements. Visit our new website to see the full elation® Fitted range and try out our new Selector feature which allows you to experiment with the various colour and style combinations.

## Create your dream bathroom online!

Take advantage of our fantastic online Selector tool which allows you to experiment with the various style combinations the elation® range has to offer. You can choose from the extensive range of door styles, colours, worktops and accessories, allowing you to visualise your dream bathroom before making your final decision.

In our standard fitted range there is a choice of a contemporary slab door or a more traditional shaker door in a range of finishes.

The Natural range has a premium solid wood framed Shaker door available in a Natural Oak & Dark Walnut finish (indicated by this icon).

Quality 18mm carcasses and doors provide durability with matching carcass interiors and solid 18mm backs to all units with the exception of the WC unit. Doors are vinyl wrapped and are colour matched on the reverse.

Slow close on doors & drawers add a luxury finishing touch.

A range of floor and wall units are available, offering a truly versatile solution to bathroom storage. All standard and

reduced depth carcasses can be fitted with a plinth, wall hung or freestanding, accommodating your living space and lifestyle.

A broad selection of laminate worktop colours are available to choose from to suit your scheme, with optional solid worktops to add a premium feel.

In addition, there is a comprehensive range of handles, the perfect finishing touch to your furniture.

## Door Style

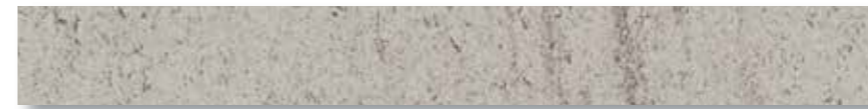

Once you have decided on your final layout, you can then select your style preference of Fitted furniture. Choose between the contemporary Slab door or the more traditional Shaker door depending on the overall aesthetic of your interior. Our Shaker door has the additional option of being available as either MDF vinyl wrapped or premium solid wood from the Natural Collection.

## Carcass & Door Colour

We have a broad spectrum of colour options that offer maximum creative control when it comes to designing your dream bathroom. Whether you are wanting to create a natural look with warm tones and traditional features or a contrasting contemporary theme with clean lines and bold shades, you will be able to choose the perfect colour to achieve your look. The flexibility of the Fitted range also provides you with the option to choose a different colour carcass to the door to give a truly unique finish.

The latest additions to the Fitted range are Bodega Grey and Cream Gloss. Bodega Grey - grey palettes are showing growing popularity, this warm grey wood finish with textured grain effect creates a striking look without being overpowering. Cream Gloss - a warm alternative to white, the Cream Gloss will complement a range of styles.

Sanitaryware

The elation® Fitted sanitaryware range is made from high quality ceramic and selected to not only complement the furniture range, but offer distinct variations in style that can be matched to suit bathroom themes.

The classic Hudson basins, designed with gentle curves offers flexibility, complementing a range of bathroom styles. Available in two sizes the Hudson Semi Recessed Basin can be used with standard depth units whilst the Cloakroom Semi Recessed Basin is designed for use with the Slimline range of units.

In contrast, the Airton Basin with its striking bold lines instantly

gives any bathroom a contemporary look, it perfectly mirrors the angles of the Fitted furniture range and is sure to make a statement in your bathroom.

All our Back to Wall Pans have an option of a co-ordinating slow close toilet seat which adds a touch of luxury. The Hudson Pan is classic in style and has been designed to accommodate all tastes and bathroom themes. The Cayton Pan with smooth curved lines is a minimal modern option, whilst the Brearton Pan with subtle angles adds visual interest and makes a strong impact.

450mm washbasin unit  
in Light Oak with 400mm  
bar handle.

Eko is perfect for even the smallest of bathrooms, cloakrooms and ensembles. The compact 450mm washbasin maximises storage with a soft close door instead of a drawer, while the wall mounted design of the Eko range enhances the appearance of space.

The Eko range is available in a number of finishes for you to select from. Choose the same sophisticated finish throughout or make a striking statement with one of our wood and high gloss combinations.

Rich, sophisticated walnut finish adds a touch of luxury.

The 550mm basin unit shown is an ideal size for most bathrooms, providing a contemporary alternative to a standard basin and pedestal.

With the latest in basin design, the Eko Gelstone basins are extremely durable and easy to clean, with a generous washbowl and surround. The highly defined edges and clean lines perfectly complement the Eko washbasin units.

The WC unit neatly conceals a cistern frame, suitable for both wall hung and back to wall pans for a fully co-ordinated look.

White gloss finish creates a bright and spacious effect, leaving you free to accessorise as you wish.

The dramatic black gloss finish shown here in 750mm, creates an eye-catching contrast to the clean white basin.

Every Eko drawer has premium slow close runners to ensure silent and safe closing. The concealed internal drawer is ideal for storing smaller items with an optional compendium tray to help organise your space.

The mirror wall units have a sensor activated overhead light; simply pass your hand under the sensor to activate. Double sided mirror doors with premium soft close hinges and an integrated shaver point complete the units.

The Eko range provides the ultimate in luxurious bathroom furniture. When space allows, make use of the co-ordinating furniture to provide additional storage. The Tall Unit with premium slow close hinges is available in the same choice of finishes.

Make a striking statement with one of our wood and high gloss combinations.

Based on traditional design, this range of freestanding furniture will create a classic look in any home.

Combined with a contemporary ceramic basin and shaker doors this stylish design produces a traditional but modern vanity unit. With two sizes to choose from, the vanity units will fit most bathrooms, ensuite or cloakroom. The tall unit complements both vanity units and has an open glass display shelf. The matching mirror completes the look and can be hung either landscape or portrait to suit.

Development

In the interest of continuing design and development and product improvement, Cavalier reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

Usage

It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

Measurements

All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

Prices

The prices included within this brochure supersede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices are subject to alteration without notice.

Electrical

IMPORTANT: All electrical installation work must be carried out by an approved qualified electrician. Under no circumstances should any electrical work be carried out by unqualified persons.

All electrical components are suitable for outside of Zones 1 & 2 bathroom use only.

After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool.

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD) breaker.

All electrical products are certified to the appropriate BS-EN standards.

Guarantee

All our furniture ranges are covered by a 5 year guarantee from the date of purchase, which covers all manufacturing defects. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

In the unlikely event that the product fails within the 5 year guarantee we will replace the part (or nearest equivalent) of the product which has failed. Notice must be provided in writing detailing the product failure. Liability is limited to individual products and does not cover consequential loss or damage, installation costs or financial compensation. The customer will be required to pay for the cost of installation of the replacement part. The guarantee is in addition to and does not affect your statutory rights.
