BY CAVALIER BATHROOMS

Elation Bathrooms is part of the Cavalier brand portfolio, a British company based in Yorkshire, inspiring bathrooms for over 100 years. With a fantastic reputation for manufacturing high quality products from its Yorkshire base, Cavalier has become one of the UK leaders in designing and manufacturing bathroom solutions.

Our in-house designers ensure each furniture range is researched, designed and tested to suit the British bathroom, whether it be traditional or contemporary in style. We have an ongoing reinvestment in new machinery and this, together with the selection of high quality raw materials from trusted suppliers and quality craftsmanship, ensures long lasting quality.

We care about the environment and our environmental impact through sourcing products, recycling & waste and as a company we are ISO 14001 and ISO 9001 registered.

Proudly Made in Yorkshire

The brand is rooted in British design principals, taking pride in designing and delivering high quality products with integrity. The highest importance is placed on creating styles that stand the test of time and functionally wear well. Elation Bathrooms has expanded this heritage with forward-thinking techniques, materials and a creative approach.

Our team are dedicated in selecting materials and finishes from trusted suppliers to enhance the features and aesthetics of each range, including colour palettes, tones and textures.

"Designing, developing & manufacturing in West Yorkshire for over **100 years**. Style and quality brought together with the **British bathroom** in mind."

Modern or *Classic*

With a rising demand for more tailored bathroom options, creating spaces that don't compromise on style and functionality makes fitted furniture the perfect choice.

Achieve a well-balanced composition with our Elation Fitted range that has been reinvented for a contemporary fitted look. The range boasts minimal slab fronts and a modern capsule collection of finishes and textures. Alternatively, for a more refined traditional aesthetic select our Etienne Fitted range, boasting shaker style doors, exposed hinges and tongue and groove sides in on-trend matt finishes. Whatever your style, we've got it covered.

Development

In the interest of continuing design and development and product improvement, Cavalier reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

Usage

It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

Measurements

All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

Prices

The prices included within this brochure supersede all previous publications with goods being invoiced at prices ruling on date of dispatch. All prices are inclusive of VAT and are subject to alteration without notice.

Electrical

IMPORTANT: All electrical installation work must be carried out by an approved qualified electrician. Under no circumstances should any electrical work be carried out by unqualified persons. All electrical components are suitable for outside of Zones 1 & 2 bathroom use only. After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool. For item 63B2 lighting has to be connected to mains with closed junction box (not included).

LED Illuminated Mirrors

Our LED Illuminated Mirrors are IP44 rated, all installations must comply with the guidelines in the zonal concept. Please refer to the online documents at elationbathrooms.co.uk

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD) breaker.

All electrical products are certified to the appropriate BS-EN standards.

Guarantee

All our furniture ranges are covered by a 5 year guarantee and our LED illuminated mirrors, bath panels and toilet seats are covered by a 2 year guarantee from the date of purchase. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

In the unlikely event that the product fails within the 5 year guarantee we will replace the part (or nearest equivalent) of the product which has failed. Notice must be provided in writing detailing the product failure. Liability is limited to individual products and does not cover consequential loss or damage, installation costs or financial compensation. The customer will be required to pay for the cost of installation of the replacement part. The guarantee is in addition to and does not affect your statutory rights. Further terms and conditions are available upon request. accurate as the printing process will allow.
