

Simple clean lines to the frame

Protective soft PVC infill  
in black or silver finish

Laminate panels with clean  
butt joints.  
Ceramic panels will chip

Choice of Frame:

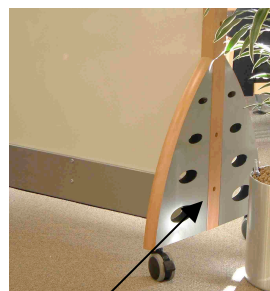

- 1) Solid wood
- 2) Metal – choice of colours

Laminate panels are:-

- lighter in weight
- suitable for dry-wipe pens and magnets
- very durable
- walls move very easily on solid or carpeted floors

Modern and elegant  
supports with a  
choice of design
