

# CASE STUDY

## EAST PARK DESIGN CENTRE, LOUGHBOROUGH UNIVERSITY

<b>SECTOR</b>	Public Sector
<b>CLIENT</b>	Loughborough University
<b>ARCHITECT</b>	Nicholas Burwell Architects
<b>CONTRACTOR</b>	Shepherd Construction
<b>CONTRACT VALUE</b>	£14.7 million

### PROJECT OVERVIEW

The 7,760m<sup>2</sup> East Park Design Centre provides state-of-the-art facilities for the various design disciplines at the University including the Loughborough Design School and the School of Arts. jhai was chosen to carry out the Building Control on this prestigious project, which involved a detailed assessment of the architect's plans, engineer's structural design, and a specialist Fire Risk Assessment. Work commenced in March 2010 and we carried out regular site visits through to completion in late 2011.
