- Solid poplar wood frame
- Chrome plated handles
- Width with doors open - 1700mm

### Product Guarantee

10 years

### Frequently Asked Questions

#### Q. Are the doors pre-drilled?

**A. Yes, the doors are pre-drilled.**

Q. Can I replace the unit shelves?

A. For the 1200mm unit, only the centre shelf can be replaced.

#### Q. How are the basins fixed to the worktop?

**A. Basins are fixed to the worktop using fixing brackets on the underside. Once in position, the top face of the basin needs to be siliconed to the underside of the worktop. The brackets can then be tightened while silicone sealant cures.**

Q. Are the worktops sealed?

A. The worktop is made from hydrofugated marble and come pre-sealed. They may need re-sealing depending on use. Any proprietary indoor stone sealant can be used.

#### Q. Is there a matching BTW Unit?

**A. Currently, there is no matching BTW unit.**

Q. Does the basin have an overflow?

A. Yes, the basin has an integrated overflow. Bowl depth: 110mm

#### Q. Can other underslung basins be used?

**A. The cut in the worktop is made specifically for use with the Laura Ashley underslung basin and will not be suitable for other basins.**
