

GRIMEX BOAT CLEANER TECHNICAL DATA SHEET

LTP GRIMEX BOAT CLEANER

Heavy Duty Grime Remover For interior & exterior use

A water based deep cleaner for algae, waterline stains, scuff marks, fish blood, rubber marks, seagull mess, barnacles, off of most fibre glass, metal, painted surfaces, teak and other types of wood.

Does not contain Acid.

Important: - Test the solution on an inconspicuous area before general application. Mask and protect painted surfaces, anti-fouling, untreated wood and other sensitive areas. Rinse off overspray. Any alkalinity remaining on surfaces treated with this product should be completely neutralised. This may be done with a little clean water applied by sponge.
N.B Will age and darken some types of wood, especially oak and may remove varnish – test on small area first.

Directions for use

Spray direct onto surfaces and leave for 2-3 minutes. If areas start to dry, just spray a little more to maintain contact with Grimex. Agitate with a white emulsifying pad or brush to loosen the grime and rinse well with plenty of clean water. For more stubborn stains re-apply and use a stiff bristled brush. See www.cleaning-kits.co.uk for more details
Store in a cool, dry, frost-free environment. Shelf life up to 5 years.

Health & Safety

Causes serious eye irritation

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wash hands thoroughly after handling. Wear eye protection.
