

fusion & premium cable basket

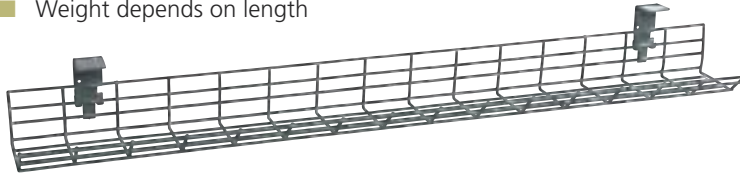

Fusion

Fusion is a high-capacity poly coated wire cable management system. Fusion features a sloping side for easy access to cables and specially designed hook brackets to guarantee a simple and quick installation. Fusion can easily be attached to the underside of the desk or to the modesty panel.

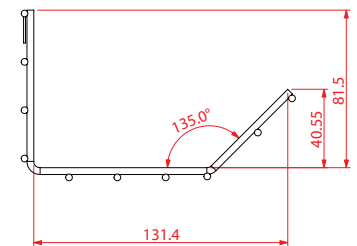

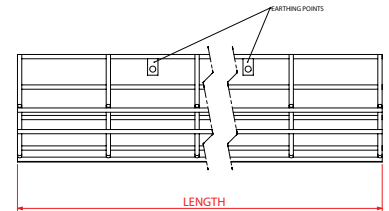

key features

- Silver Low Density Poly Coated Wire basket complete with 2 brackets available in 4 standard lengths
- Weight depends on length

code	description
650468	800mm
650469	1000mm
650470	1200mm
650471	1400mm
650534	1600mm

Specially Designed Bracket

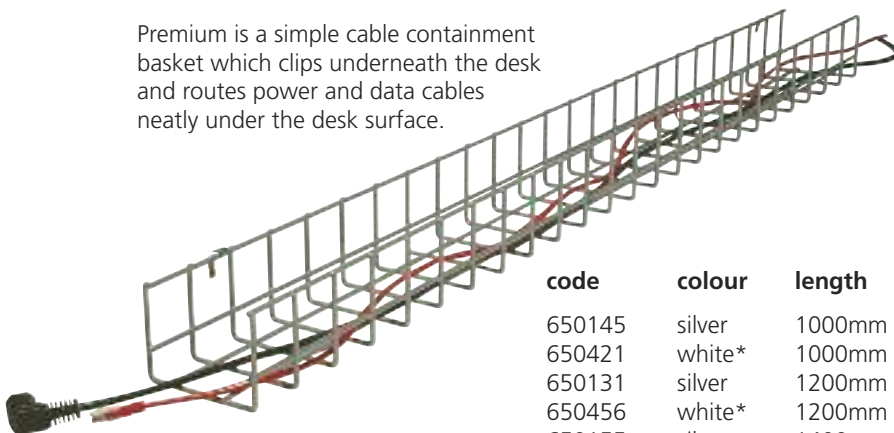

- Specially designed bracket prevents the cable basket from being knocked out by accidental movement/kicking under the desk
- Product weight 0.82kg

code	description
251904	silver

Premium

Premium is a simple cable containment basket which clips underneath the desk and routes power and data cables neatly under the desk surface.

key features

- Width 150mm x 85mm high
- Mild Steel Nylon coated Wire Basket
- Silver RAL 7040 or White RAL 9010
- Weight depends on length
