All evolution* products are available in a wide range of real wood veneers, wood grain effect and plain colour laminate finishes, including some new exotic real wood veneers, most of which are also available in laminate form as standard.

A number of evolution classic desks are also available on our evolution **EXPRESS** 10 working day

turn-around, if specified in wood grain laminate (see price list for details).

For a more detailed representation of the finishes available, please consult your Egger guide, or visit www.egger.co.uk/zoom to order samples on-line.
