R2

At R2 we like to think we know a thing or two about bathrooms - we've been designing them for over 35 years.

We're a family owned bathroom business based appropriately enough in Bath. We have an in-house team of experienced product designers and an excellent reputation for customer service.

We know value is important to you but that shouldn't be at the expense of good design. That's why our furniture features fully coordinated pieces, made from quality materials, with soft close doors and drawers. Our taps are of the highest quality brass and are beautifully chrome plated. Our LED and backlit mirrors are IP44 rated for safe bathroom use.

So whether you're looking for a contemporary wall mounted bathroom or a fully integrated solution, look no further than R2.

## type features

### Basin units

The versatility of the type range is paramount with a choice of 5 styles in 500mm or 600mm widths to suit your needs and bathroom space. Offering either wall mounted or freestanding wash units, including a useful 3 drawer option, there is also a coordinating storage column and back to wall WC unit.

### Finishes

Type is available in 4 finishes. Ever popular white plus 3 on-trend colours, including our new dark grey basalt wood finish. There is a coordinating framed mirror to go with the painted finishes.

### Contemporary basin

The type single tap hole ceramic basin has generous wash space. There is plenty of room at the back for all your toiletries.

### Handle

The minimalist chrome drawer or door top handles complement the furniture range perfectly, giving type a sleek and understated look.

# type

Well-proportioned and with simple lines, type is the very epitome of modern bathroom design. There is so much choice within the range, both in basin unit style and finish. Choose from gloss white or light grey, matt stone grey or a contemporary dark grey basalt wood finish.

## plan features

### Basin units

The plan freestanding or wall mounted basin units are perfect for the modern bathroom, with a smooth and controlled soft closing action. Both styles are available in 500mm and 600mm widths.

### Contemporary basin

The plan ceramic basin is characterised by its gentle curves matching that of the basin unit and generous wash area with single tap hole and integrated overflow.

### Handle

Plan units feature a smooth blended handle to complement the curved styling of this furniture range.

### Coordinating mirror

Why not choose the matching framed mirror to complement your basin unit perfectly.

# plan

Make big plans for your bathroom with this sleek unit. Characterised by its gentle curved design, plan combines great looks with practical storage. Choose from gloss white or light grey or matt stone grey finish.

## soul features

### Basin unit

The soul freestanding basin unit is both versatile and timeless, with double doors which open fully to reveal an internal shelf and plenty of easy access storage, perfect for all your bathroom products. The 600mm wide unit is available in gloss white, light grey or stone grey finish and features soft close hinges for a quiet, controlled movement.

### Polished chrome finish handles

The basin unit doors are topped with highly polished handles. The curved handle design complements the basin unit shape and lends a contemporary twist.

### D-shaped Isocast basin

Soul's luxuriously deep D-shaped basin offers generous wash space and characterises the range with its soft rounded edges, making it ideally suited for use in family bathrooms. The glossy finish of our Isocast basins is both highly durable and easy to clean.

# soul

With its curvaceous shape and timeless design, this freestanding range offers a softer contemporary style. Soul is available in high gloss white, light grey and stone grey for a colour palette which is on trend and calming, perfect for the modern bathroom.

## contour features

### Soft close

The doors on the basin units and wall column feature soft close hinges for a luxuriously quiet and controlled movement.

### Contemporary basin

Contour's basin is made from top quality ceramic. A simple rectangular shape with curved edges and generous wash area, the basin is available in 500mm, 600mm and 700mm widths to correspond with your choice of base unit and finished with a single tap hole and integrated overflow.

### Coordinating storage, cloakroom unit and WC unit

Additional storage is available with the 350mm wall column, which combines 2 storage areas and a single shelf, or a coordinating single or double door mirrored cabinet. The cloakroom unit door is reversible to suit your room layout. Opt for a fully integrated look by using one of our matching back to wall WC units.

# contour

Contour's flat fronted doors are framed by curve-edged sides. Offering either wall mounted or freestanding wash units with coordinating storage columns, contour comes in a choice of sizes, including a cloakroom unit. Available in anthracite, gloss white and stone grey finish.

## agile features

### Basin unit detail

Stylishly understated, the agile basin unit has elegantly proportioned sides to the carcass and a slim depth, space-saving profile. Available as a 600mm wall mounted unit, and a 600 freestanding unit, it comes in a gloss white finish. Matching slender chrome handles add the perfect finishing touch.

### Soft close

The wall mounted unit has a deep drawer with soft close runners for quiet closure, whilst the doors to the freestanding units are quick release with soft close hinges.

### Contemporary basin

Agile's coordinating Isocast basin has a generous wash space despite its slim profile, with the square lines lending it a sharp contemporary edge. The glossy finish of our Isocast basins is both highly durable and easy to clean.

# agile

Make the most of your bathroom space with the sharp contemporary lines of the slim depth agile basin unit. Available in a gloss white finish.

## ninety features

### Soft close

Doors feature soft close hinges for a luxuriously quiet and controlled movement.

### Chrome handles

Chunky chrome bar handles are the perfect finishing touch to these smart units.

### Contemporary basin

The ninety basin is made from top quality ceramic and is characterised by a substantial slab shape, generous wash area, integrated overflow and single tap hole.

### Coordinating storage and WC unit

Additional storage is available with the tall wall column, which combines 2 storage areas and a single shelf. Doors are hinged from the left hand side as shown. Go for a fully integrated look by using one of our matching back to wall WC units.

# ninety

Make the most of your bathroom with ninety, a simple geometric style in three exciting finishes. Team the freestanding unit with a back to wall WC unit and, if you need more storage, add a double door cabinet or a wall column or two.

## revolve features

### Soft close

Drawers feature soft close runners for a seriously quiet and controlled movement.

### Contemporary basin

Revolve's basin is made from top quality ceramic. Pleasingly flared, the basin is available in 600mm and 800mm widths to correspond with your choice of base unit and finished with a single tap hole and integrated overflow.

### Coordinating storage and WC unit

Additional storage is available with the 350mm wall column, which combines 2 storage areas and a single shelf. Doors are hinged from the left hand side as shown. A coordinating WC unit is also available.

With its well-proportioned curved drawers and flared basin, revolve is already on its way to cult bathroom status. The nutmeg version has a gloriously matte finish – just perfect for the contemporary home.

## drive features

### Basin units

At only 400mm wide the drive freestanding or wall mounted basin units are perfect for cloakrooms. Doors feature soft close hinges for a luxuriously quiet, controlled movement and are hinged from the left hand side.

### Contemporary basin

The drive basin is made from Isocast, a tough, resilient gel-coated resin which is extremely durable and easy to clean. The simple slab shape suits the units perfectly, and incorporates a single tap hole offset to the side.

### Coordinating storage and WC unit

Additional storage is offered with a 400mm mirrored wall cabinet, available in coordinating finishes. Go for a fully integrated look by using one of our matching back to wall WC units.

# drive

At R2 we take the challenge of Britain's small bathrooms very seriously. That's why we've developed drive, a cloakroom friendly range of wall mounted and freestanding units in three finishes.

# How to order your fitted furniture

R2 fitted furniture will create a unified look in your bathroom as well as maximise the available space to give you lots of storage. Fresh contemporary finishes and a choice of worktop and basin options offer the flexibility to create the perfect solution to suit your style. It's very straightforward to design and plan your new bathroom – simply follow our step by step guide and use the following few pages for inspiration.

- 1** Door style & finish  
Choose your door style and finish - either the slab door of muse or the gently bevelled edge of liberty's door. Then choose your desired door finish to front your standard depth or space-saving slim depth units.

- 4 Sanitaryware options  
Choose your R2 sanitaryware. See pages 98-119 for options

- 5 Plinths & panels  
Select the plinths to fit your furniture run and any panels you may need. Filler panels can be cut down and used with a worktop to fill a void in a wall-to-wall installation.

- 6 Mirrors & cabinets  
Choose your preferred mirror or cabinet, see pages 146-153. Also add any useful wall cabinets.

- 7 Lighting option  
Select a stylish lighting option. See pages 84-85.

- 8 Bath panels  
Select a coordinating bath panel

- 9 Tap options  
Complete your bathroom with the addition of an R2 basin mixer. See pages 124-135.

# stow

Bring a touch of classic design to your bathroom with our Stow furniture range. Available in either stone grey or natural white, these muted tones complement the elegant shaker design and deliver timeless styling.

## stow features

### Unit sizes

With colour matched interior carcasses, choose between standard or slim depth and either 500, 600 or 700mm basin units depending on the size of your room. Then, why not opt for coordinating wall and floor cupboards. Our back to wall WC units also come in two widths, 500mm and 600mm.

### Soft close

Doors feature soft close hinges for a luxuriously quiet and controlled movement.

You can top your units in one of two ways. Either use a typical worktop and semi-countertop basin combination or opt for one of our Isocast basins with integrated worktop.

### Worktops and semi-countertop basins

To complement your bathroom style, take your pick from our excellent range of laminate or solid surface worktops on page 83. Then pair this with your choice of semi-countertop basin. See our full range of sanitaryware, including coordinating back to wall WCs, on pages 98-119.

### Isocast basin option

Why not create a seamlessly contemporary look by choosing one of our sleek Isocast basins with integrated worktop. See pages 80-81 for more information.

A choice of six handles will add the finishing touch to your stow furniture.

isocast basin options

## isocast basin features

For a seamless contemporary look, why not finish your muse or liberty fitted furniture with one of our Isocast basins. With a choice of nine size options including a compact 900mm and a space saving 1200mm slim depth option. Or maybe opt for a 1200mm 'his and hers' style double basin or a 1500mm width with plenty of integrated worktop space to one side for a real style statement.

These modern basins are extremely durable and practical, with a tough, easy-clean, glossy finish.

# isocast basins

For a seamless contemporary look in your bathroom why not finish your fitted furniture with one of our stylish and sleek Isocast basins.

900mm Isocast Basin - Left  
Isocast Finish IS902S.L                      £241.50

900mm Isocast Basin - Right  
Isocast Finish IS902S.R                      £241.50

1200mm Isocast Basin - Left  
Isocast Finish IS1202S.L                      £303.00

1200mm Isocast Basin - Right  
Isocast Finish IS1202S.R                      £303.00

1200mm Slim Isocast Basin - Left  
Isocast Finish IS1200SM.L                      £303.00

Isocast Finish IS1500S.L

£363.00

1500mm Isocast Basin - Right  
Isocast Finish IS1500S.R

£363.00

## strata solid surface worktops

Strata worktops are an ideal solution for those wishing for the aspirational look and feel of solid surface worktops, but at more accessible price points. Made from a solid 25mm sheet, the natural stone-like beauty of strata solid surface tops combined with a square edged profile makes them a perfect choice for your bathroom.

Being solid, strata can be cut to whatever size or shape your bathroom demands using standard woodworking tools, with no need to bond on finishing strips. Simply cut to the desired profile and sand down the end to a fine finish.

## lamine worktops

High quality and very durable, the R2 range of laminate worktops has been specifically chosen to complement stow, muse & liberty furniture units.

## clad on panels

Clad on panels are available to allow you to create a framed look with stow, liberty or muse furniture. Alternatively cut to fit small voids and run a worktop over for a seamless wall to wall look.

# worktops and handles

Our strata solid surface and laminate worktops are designed to be used with our semi-countertop basins.  
Make your choice from our sanitaryware ranges on pages 107, 113 & 117

## strata solid surface worktops

Available in 1.28m and 1.88m lengths for slim and standard depth  
stow muse & liberty furniture. See pages 95 - 96 for worktop pricing.

arctic white finish

glacier white finish

grey quartz finish

galactic black finish

## laminate worktops

Top your stow, muse & liberty units with one of these exciting finishes. Supplied in 1.5m and 2m lengths with spare edging for cutting to length. See pages 95 - 96 for worktop pricing.

gloss white finish

portland stone finish

riven slate finish

black granite finish

## chrome handles

Choose from 3 handles and 3 door knob options  
to customise the look of your stow, muse & liberty  
furniture. See page 97 for pricing.

richmond  
door knob

indiana  
door knob

carolina  
door knob

montana handle

stamford handle

stockton handle

don't forget...

For semi-countertop basin options  
to coordinate with your R2 strata  
or laminate worktop see pages  
107, 113 & 117

## LED overhead light fitting

This elegant 3W Sweep Chrome LED fitting can be used over the top of cabinets or mirrors to create superb lighting effects. Also available is the 6W 300mm Chrome LED light, both are IP44 rated and come supplied with drivers.

## LED downlighting

This LED downlight kit includes 4 x 2.8W downlights and an LED driver. They are surface mounted which means they do not need to be recessed and can be mounted on the underside of cabinets, flyovers, and underneath wall mounted units providing a practical lighting solution.

# lighting

# lighting

Lighting your bathroom couldn't be simpler with a choice of light fittings to enable you to create different effects. When planning your bathroom remember to make allowance for any electrical work which may have to be carried out before any of your furniture is fitted. Always use a qualified electrician.

Electrical fittings in this zone require separated extra low voltage and a minimum rating of IP44 (splash-proof).

Electrical fittings in this zone require a minimum rating of IP44 (splash-proof).

Electrical fittings in this zone require a minimum rating of IP20.

radar sanitaryware

## radar features

### Basin & pedestal

The contemporary thin edged ceramic basin and pedestal offers generous wash space and has a single tap hole and overflow.

### Rimless WC options

Choose a great looking fully enclosed back to wall design which gives a sleek appearance making it as nice to look at as it is easy to clean, or opt for the back to wall WC, should you wish to conceal the cistern. The Easi-Clean rimless design makes it exceptionally hygienic and easy to clean internally as well.

### Quick release, soft close WC seat

The slim thermoset toilet seat benefits from soft close hinges and gives a discreet contemporary finish to the WC. It has a quick release lift off feature for easy cleaning.

# radar

If you are seeking a designer look for the bathroom, then this range should definitely be on your radar with its clean lines, and sleek features, it delivers on both these design cues and more.

debut sanitaryware

## debut features

### Versatile

Choose from a wide choice of great looking WC options to complement your Debut basin and pedestal or furniture. In addition to the standard close coupled pan and back to wall pan, there is a fully enclosed close coupled WC for a sleek and contemporary look.

### Comfort height WCs

The comfort height close coupled or back to wall comfort WCs sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

### Soft close WC seat

The soft close WC seat incorporates top fix quick release hinges allowing quick and easy installation.

# debut

Strong lines and bold styling characterise our debut sanitaryware. This smart range combines the great looks and practicality which have become an integral part of R2, including comfort height options.

WC & Seat

£297.60

Basin & Pedestal

£130.40

mini sanitaryware

## mini features

### Compact basin

The generous yet compact basin and semi-counter top basin make the most of available space.

### Space saving WC

The Mini range of WCs are short projection, ideally suited to smaller bathrooms because of their great space saving design.

### Comfort height WC

The comfort height WC sits several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

### Soft close WC seat

The soft close Mini seat features single push quick release hinges, allowing the seat to be lifted away for easy cleaning.

### Ideal for use with bathroom furniture

The Mini semi-countertop basin and back to wall WC are ideal for use with our Muse and Liberty bathroom furniture.

# mini

Our mini range is the perfect blend of contemporary minimalism and practicality. Versatile and space saving, the range includes a semi-countertop basin and 3 WC options, designed to meet your needs.

White Finish TR9013

**Square Dual Flush Button** £12.10  
Chrome Finish TR9003

## contactless dual flush sensor

The Sensor works using capacitive sensor technology to detect a change in the electromagnetic field. When the user waves their hand in front of the sensor it will initiate the flush. A short wave activates the reduced flush of the cistern, whilst holding your hand up slightly longer triggers a full flush. The sensor is powered by 4 AA batteries which will last for approximately 1 year under normal domestic conditions.

The sensor can be mounted behind a back to wall WC unit fascia or under a worktop or tiled surface where the cistern is located. A discreet black decal is included to stick on the front of the fascia or tiles to indicate sensor location if desired.

**Contactless dual flush remote sensor kit** £102.00  
TR9014  
For use with concealed cisterns. Can be used with wall hung WC frames and in-wall cistern provided provision is made for access.

- LP1

Suitable for all plumbing systems, including conventional gravity fed, with a minimum of 0.1bar pressure and above
- LP2

Suitable for all plumbing systems, including conventional gravity fed, with a minimum of 0.2bar pressure and above
- MP

Suitable for all plumbing systems, including gravity fed or pressurised systems, with a minimum of 0.5bar pressure and above
- HP

Suitable for modern pressurised plumbing systems with a minimum of 1.0bar and above
- ECO<sup>1</sup>

Suitable for use with a shower flow regulator
- ECO<sup>2</sup>

Suitable for use with basin tap flow regulators
- ECO<sup>3</sup>

Suitable for use with a basin mixer flow regulator

## Shower flow regulators

Suitable for bath shower mixers and showers displaying ECO<sup>1</sup>  
Mount between the valve and hose for shower valves with handsets or on your bath shower mixer.

6 litres/min  
shower flow regulator  
FR01 £7.10

8 litres/min  
shower flow regulator  
FR02 £7.10

10 litres/min  
shower flow regulator  
FR03 £7.10

3 litres/min  
basin tap flow regulator  
FR07 £2.90

5 litres/min  
basin tap flow regulator  
FR08 £2.90

7 litres/min  
basin tap flow regulator  
FR09 £2.90

## Basin tap flow regulators

Suitable for pairs of basin taps displaying ECO<sup>2</sup>  
Install on the inlet of the tap. One required for each tap, therefore please purchase in pairs.

## Basin mixer flow aerator

Suitable for basin mixer taps displaying ECO<sup>3</sup>  
Produces aerated water flow. Simple to install into the aerator housing of the basin mixer.

1.7 litres/min  
basin mixer flow aerator  
FR04 £6.20

3.5 litres/min  
basin mixer flow aerator  
FR05 £6.20

5 litres/min  
basin mixer flow aerator  
FR06 £6.20

£176.00

## mirror features

Don't let inferior mirrors cloud your judgement. All of our mirrors, bar the entry level Apollo and Atom, have heated demister pads to make misty mirrors a thing of the past no matter how steamy things get.

Our Seek and Embrace LED mirrors are turned on and off using a no touch infrared switch. LED lighting not only looks stunning but provides a bright, practical task light with energy saving benefits.

All our illuminated mirrors are IP44 rated for your peace of mind.

## customer service

It's not only our products we're proud of - customer service is important to us too.

We've built an excellent reputation for customer service over the 35 years we've been in business. By choosing R2 you can be assured of the very best support for your product.

## how to get help...

telephone: 01225 303 900

## quality & service

As one of the UK's largest suppliers of bathroom products, we set very high standards in design, manufacture and service. We also invest heavily in product improvement and innovation to ensure complete customer satisfaction.

Attention is drawn to the policy of replacing any damaged parts with a spare part where possible. Complete exchanges will only be made if damage is extensive.

We reserve the right to amend specifications at any time if an opportunity to further improve the product occurs. All dimensions quoted are within reasonable tolerances.

R2 furniture is designed for use within domestic installations which are adequately ventilated. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basins and worktop joint and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

Guarantees are for domestic use only and are not transferable.

## pricing

All prices quoted are inclusive of Value Added Tax at 20% but will be charged at the rate applicable on the date of despatch. We cannot be held responsible for any errors or omissions to products or prices.
