inspiring bathrooms

# WELCOME

Looking for **BATHROOM INSPIRATION**? Look no further! Tavistock's extensive range includes bathroom furniture, contemporary showers and shower enclosures, sanitaryware and taps. We also have a **GREAT CHOICE** of finishing touches, from mirrors and cabinets to toilet seats and bath panels. So whether you're a get-up-and-go shower lover, someone who takes their 'me' time seriously, a born organiser or indeed all of the above, we have a host of products which will suit your individual needs perfectly. Browse through our catalogue for **PRODUCT INSPIRATION**, useful design advice and **CREATIVE SOLUTIONS** to help you craft your personal idea of bathroom heaven.

At Tavistock we are extremely proud of our products and our confidence in their quality is such that we can offer extended guarantees against manufacturing defects on many of them, including a **5 YEAR GUARANTEE** on all taps, a **10 YEAR GUARANTEE** on all furniture and showers, a **20 YEAR GUARANTEE** on all sanitaryware and shower trays and a fantastic **LIFETIME GUARANTEE** on our OXYGEN|8 shower enclosures. Many of our toilet seats also come with a lifetime guarantee. So dive right in and take a look for yourself...

DESIGN

# CREATE

INSPIRE

All Tavistock products are designed at our offices in the beautiful spa city of Bath. From here we control every stage of the product life cycle.

We're not just about bathroom furniture, we now offer a **ONE STOP SHOP** as our extensive range of product includes sanitaryware, shower valves, taps, cloakroom solutions, not to mention our range of contemporary shower enclosures. For those **FINISHING TOUCHES** we've got a great choice of mirrors, cabinets, toilet seats and bath panels. Perfect for an instant bathroom revamp.

Our highly experienced team of researchers, developers and technical experts are constantly monitoring new trends and rigorously testing **ADVANCEMENTS** in technology.

With Tavistock, you can count on the highest levels of service and reliability, but what makes us special is our **IN-HOUSE DESIGN TEAM**. Excellent design is of the utmost importance to us, so we design all of our products in-house to ensure our perspective remains fresh and innovative. We source **OUTSTANDING** quality materials and craftsmanship so that every Tavistock product not only looks good but fulfils its purpose, time after time.

With extensive guarantees across our entire range, you can choose every Tavistock product with complete and utter confidence.

# CONTENTS

A person wearing a light blue and white vertically striped short-sleeved shirt is shown from the waist down. Their hands are placed on their hips, and they are standing in front of a white, modern-looking cabinet or furniture piece. The background is a light, textured wall.

INSPIRING

# FURNITURE

Show your bathroom some love. Create a warm, welcoming space with our beautifully crafted furniture. It isn't just about clearing away the clutter - the right furniture will define your bathroom. Whether you prefer the gleam of high gloss white, the glamour of black, or the warmth of a real wood finish, you'll find a style that is right for you. Look out for special touches such as soft close doors and drawers and integrated handles.

NEW FOR 2014

# TEMPO

Tempo is defined by the **SHAPELY CURVE** of its drawer or doors and its generous **BOW FRONTED** basin. In painted gloss white or a protective **SUPER MATT** lacquered real wood veneer, both perfect for bathroom use.

Your Tempo

Options

## TEMPO FEATURES & FINISHES

### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

### Base units

Curve fronted basin units are finished with an elegant chrome handle which complements their shape perfectly. Available as freestanding units in a super matt lacquered, real wood veneer in light or dark java or high gloss white finish. There is the additional option of a wall mounted unit in the white finish.

### Soft close drawers and doors

Tempo doors are fitted with extra wide opening, soft close hinges offering easy access to your bathroom bits and pieces as well as giving controlled and quiet closure. The wall mounted drawer unit also features soft close drawer runners.

NEW FOR 2014

# STUDIO

Studio is characterised by its sturdy side panels and **EXTRA DEEP** drawers. Its **SLEEK** lines add a splash of urban sophistication for good measure. Attention to detail is paramount, down to the mitred corners and **ON TREND** super matt surface on the wood finishes.

## Your Studio Furniture Options

## STUDIO FEATURES & FINISHES

### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

### Base units

Studio double drawer base units can be freestanding or wall mounted without the plinth or a single drawer version is available in the gloss white finish. The extra deep drawers offer plenty of storage space. Light and dark java units are finished with a highly protective, super matt lacquer.

### Soft close drawers

Studio's drawers are fitted with soft close mechanisms to give controlled and quiet closure.

# IMPACT

If it's **DRAMATIC EFFECT** you're after, then Impact will certainly make a statement. This sophisticated collection comes in a textured java finish or classic gloss white. Thick side panels on the wash basin unit and wall column add to its **STRIKING PRESENCE**.

## Your Impact Furniture Options

### IMPACT FEATURES & FINISHES

#### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

#### Wall column

The Impact wall column offers flexible storage with adjustable shelves in two compartments. The doors are reversible to allow for left or right hand opening and feature soft close, quick release hinges.

#### Chamfered plinth

The base of the wash basin unit incorporates a chamfered plinth and doors which allow you to stand as close as possible to the basin.

#### Oval wash basin

The distinctive oval ceramic basin with a raised lip at the back is both practical and stylish.

## COURIER FEATURES & FINISHES

### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

### Floor cupboard

The Courier floor cupboard comes fitted with attractive chrome handles. It also benefits from a reversible door to allow for left or right handed opening.

### Soft close hinges

The semi-countertop unit and floor cupboard in this range are fitted with soft close dampers which are built into the hinges to give quiet, controlled closure.

### Laminate worktops

Slimline laminate worktops are available in two finishes and three sizes. The slate effect worktop has a matt textured finish that perfectly complements the montana gloss units.

### Easy installation

Courier back to wall WC and semi-countertop basin units benefit from removable fascias and plumbing voids for easy installation.

## GROOVE FEATURES & FINISHES

### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

### Base units

The gentle rounded profile of Groove also doubles up as a cleverly concealed handle. The range comprises wall mounted or freestanding options. The freestanding unit comes in 600mm or 700mm widths to suit the size of your bathroom. Available in either gloss white or walnut finish.

### Soft close furniture

This range benefits from soft close doors and drawers to give a controlled and quiet closure.

### Contemporary worktops

Contemporary laminate worktops are available in three finishes: white, walnut and black granite to complement or contrast with your choice of Groove furniture.

### Finish options

Furniture  
Options

## KOBE FEATURES & FINISHES

### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques, and such is our confidence that we can offer a 10 year guarantee on all furniture units.

### Base units

Kobe base units are available in four different styles - a 450mm wall mounted option and a choice of a 450mm, 560mm or 700mm floor standing options. With space at a premium in many bathrooms, the Kobe units are very versatile and work well in smaller bathrooms or en-suites. The back to wall unit is supplied complete with gloss white painted worktop

### Soft close doors

Kobe doors are fitted with soft close dampers built into the hinges to give controlled and quiet closure.

# ASPEN

**TIMELESS** appeal and functionality truly combine in this range of high gloss white bathroom furniture. With enhanced features such as soft close furniture and intelligent lighting, make a **STATEMENT** in your bathroom with Aspen's unassuming presence.

## ASPEN FEATURES & FINISHES

### Base units

All base units are supplied fully assembled and ready to fit. A strong and durable construction is achieved by using the finest manufacturing techniques. All visible exterior surfaces are finished using high gloss white lacquer. This quality finish provides a water resistant surface - vital within a bathroom environment.

### Back to wall furniture

Aspen back to wall furniture enables the fitting of back to wall WCs and semi-counter top basins, cleverly concealing pipework and cisterns behind specially designed units.

### Mirrors with demister pads

Heated demister pads make steamy bathroom mirrors a thing of the past and are fitted as standard on all mirrors with electrics.

### Lighting

Aspen lighting canopies are fitted with low voltage halogen lamps which meet all applicable British Electrical Standards. A safe and

easy to use infrared switch lets you activate the lighting by simply moving your hand under the sensor.

### Laminate worktops, plinths & infill panels

Worktops and infill panels provide the flexibility to suit your own bathroom installation. Plinths are available in lengths of 920mm and 1540mm to complete the fitted look. These can be cut down so that any joints are carefully hidden behind the back to wall WC.

# MERIDIAN

**SUBLIMELY SIMPLE** and fully flexible. Opt for the pared down design of the Meridian high gloss white finish. Express your own style with stand alone units or a sleek fitted installation uniting the space as a **SEAMLESS** whole.

## MERIDIAN FEATURES & FINISHES

### Vanity freestanding units

The Meridian base unit doors and fascias are manufactured from robust MDF in a high gloss white finish. All units are supplied fully assembled for ease of installation with a stylish chrome door knob on the unit. The corresponding ceramic slab-top style basins complement the clean lines of the units.

### WC back to wall units

The 500mm back to wall unit cleverly conceals unsightly pipe work. This can either be used as a stand alone item or alternatively form a run of furniture by butting it alongside any of the other base units to create a fully coordinated room setting.

### Worktops, plinths & infill panels

Meridian worktops are available in 504mm or 804mm lengths, depending on your installation requirements. The 300mm floor cupboard is supplied complete with worktop and all base units are

supplied with corresponding plinths. Should you decide to create a run of furniture, a 1220mm plinth is available. A 300mm infill panel helps fill any awkward gaps.

### 10 year guarantee

All Tavistock furniture is made from the very best quality materials and manufacturing techniques and such is our confidence that we can offer a 10 year guarantee on all furniture units.

For compatible cistern and back to wall pan options see pages 116.

Quoted unit dimensions do not include height and width of basins.

Dimensions in mm. For further technical information see page 229 or visit [www.tavistock-bathrooms.co.uk](http://www.tavistock-bathrooms.co.uk)

A high-angle, close-up photograph of a person's hand with light-colored nail polish resting on the smooth, white, curved edge of a modern sanitaryware basin. The person is wearing a blue and white vertically striped garment. The background shows a light-colored tiled floor and a white pedestal. The overall aesthetic is clean and minimalist.

## INSPIRING SANITARYWARE

Clean lines, sleek surfaces, forward looking design. That's what you get with our range of sanitaryware. Whatever your personal style, you'll find something to inspire you - from standard basin, pedestal and WC formats in a range of styles and sizes, to back to wall and semi-countertop options, suitable for use with bathroom furniture.

NEW FOR 2014

# ION

**GEOMETRIC** styling comes to the fore with this range. Ion's square basin and short projection D-shaped WC pans make it a **MODERN CLASSIC** which works extremely well in **SMALLER** bathrooms.

Your Ion  
Sanitaryware  
Options

## ION FEATURES

### Basin & pedestal

The square-shaped basin features a spacious wash area and central tap hole. It can be used with its coordinating pedestal or, for a more contemporary look, wall hung with a simple chrome bottle trap.

### WC pans

The Ion range has a whole host of WC options including a standard pan and 6/4L cistern, a back to wall pan and a wall hung pan. Additionally, a comfort height pan, several centimetres taller than a standard pan, helps reduce the burden on those tired legs.

### Soft close toilet seat

The Ion wrap over design toilet seat complements this curvacious yet angular range and features soft close hinges to ensure controlled, quiet closure. Made from highly durable thermoset plastic with UV protection to prevent discolouration, it also features quick release, corrosion free top fix hinges for easy installation and removal for cleaning.

# STRUCTURE

Looking for a contemporary design? Structure is simple, sleek and **BEAUTIFULLY SCULPTED**. With its **FLOWING LINES AND THIN EDGES**, this range will be the making of today's modern bathroom.

Your Structure  
Sanitaryware  
Options

## STRUCTURE FEATURES

### Basin & pedestal

The Structure basin has a stunning thin edged design, available with 1 tap hole for monobloc mixers. The structure basin can be pedestal mounted or wall hung with a chrome bottle trap for an alternative look.

### WC pans

The Structure WC pans have beautiful flowing lines and are supplied with concealed floor fittings. The close coupled pan has an open back design to allow side access to the waste pipe.

### Soft close toilet seat

The Structure seat has a contemporary wrap over design and is manufactured from high quality thermoset plastic. The seat has soft close, quick release hinges with a simple push and lift to remove operation.

### Cisterns

The close coupled cistern has a water saving 4.5L full flush and 3L reduced flush. Compatible cisterns for your Structure back to wall pan can be found on page 117.

# VITORIA

Introducing the **ELEGANT** and **TIMELESS** styling of Vitoria sanitaryware, the perfect bathroom solution for a period home.

## VITORIA FEATURES

### Wash basins

Vitoria basins are available with 1 tap hole or 2 tap holes to suit the style of your bathroom, both with chrome overflow cover and coordinating pedestal. The 2 tap hole basin has a hole for the chain stay waste.

### WC choices

You have the option of high level, low level or close coupled WC. High and Low level WCs feature chrome plated brass downpipes. Low level and close coupled WCs have full flush and reduced flush

operation (6/4L) with a ceramic cistern handle. The high level WC has the option to mount the chain pull on either side of the cistern, ornate brackets and a 6L flush.

### Soft close toilet seat

Wooden soft close seats incorporate a chrome plated bar hinge featuring top and underfix options with adjustable fitting. The Natural Oak seat is solid oak whilst the white seat is painted high gloss white.

# Q60

A versatile range of sanitaryware which will **LOOK GREAT** in any bathroom and includes short projection items – **PERFECT** for where space is at a **PREMIUM**.

Your Q60  
Sanitaryware  
Options

## Q60 FEATURES

### Wash basin

The Q60 basin can be mounted on its matching pedestal or on top of Q60 furniture. Alternatively the basin can be wall mounted with a chrome bottle trap. At 395mm in depth it's perfect for smaller bathrooms and en-suites.

### WC pans

The short projection close coupled and back to wall WC pans in our Q60 range are also ideal where space is at a premium.

### Soft close toilet seat

The Q60 thermoset toilet seat features soft close hinges for quiet closure of the seat and ring, whilst the top fix mechanism allows for ease of installation.

### Cisterns

Compatible cisterns for your Q60 back to wall pan can be found on page 117.

Your Micra  
Sanitaryware  
Options

## MICRA WC PAN FEATURES

### Comfort height pan

Sitting 85mm higher than standard toilet seats the Micra pan is extra comfy to use.

### Short projection WC pans

The short projection close coupled and back to wall WC pans in our Micra range are ideal where space is at a premium.

### Soft close toilet seats

Micra pans have a choice of two toilet seats. The Micra soft close thermoset seat option features soft close hinges for quiet closure of the seat and ring, whilst the top fix mechanism allows for ease of installation.

### Cisterns

Compatible cisterns for your Micra back to wall pan can be found on page 117.

# STRAIGHT

## SLIDING DOOR

Sliding doors are available in four sizes and can fit into a recess or, when used with a side panel, can optimise the space in a corner. This design offers great versatility and is perfect for those wanting to replace a bath with a super size shower enclosure. This product consists of one sliding door and one fixed panel.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Brass and stainless steel rollers | Quick release function allowing the doors to swing away for ease of cleaning | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | Wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

# HINGED

## DOOR QUADRANT

The hinged door quadrant delivers a semi-frameless, uncluttered and desirable look for smaller bathrooms and en-suites. Available in 900mm x 900mm it provides plentiful space without compromising on form or functionality. The door can be left or right handed to provide greater versatility. This product consists of one curved hinged door and two curved fixed panels.

This enclosure comes with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | Brass hinges | Wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

# BI-FOLD

Designed for those who are short on space but not on style. The bi-fold door expertly combines space-saving with great design and functionality. Available in three sizes, it is most suited to recesses but can be used with a side panel to offer even more versatility. This product consists of two glass panels with a chrome plated brass bi-fold hinge.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip | The wall profiles give a maximum of 40mm adjustment, 20mm each side, for out of true walls | Can be fitted to open from the left or right.

# WALK-IN

## PANELS & ENCLOSURES

For the ultimate in minimalist design, opt for a walk-in shower enclosure. They can be used with or without end panels to create a spacious, sleek look. The seamless glass panel creates a clean uncluttered line and can be used either with our low profile shower trays in a conventional bathroom, or without in a wetroom installation. This product consists of one glass panel, wall post, stabilising bar and floor bracket.

These enclosures come with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass | Fully concealed wall fixings with uniquely shaped concave aluminium trim strip.

### AVAILABLE SIZE FORMATS

Walk-in panels available in 3 sizes  
(See table below)

4 X tray configurations available

| Dimensions           | Code    | A               | Height | RRP inc VAT |         |
|----------------------|---------|-----------------|--------|-------------|---------|
| 800mm Walk-In Panel  | SE1WI80 | 775min - 790max | 1950   | £362.79     | €438.79 |

| 1600mm x 800mm | SE1WI80 + SE1WI14 | 1950   | £925.74     | €1119.68 |
| 1600mm x 900mm | SE1WI90 + SE1WI14 | 1950   | £953.26     | €1152.97 |

# DEFLECTOR PANELS

Deflector panels give you the definitive look for wet room design. Available in four sizes the lustrous panel of glass, with its chrome towel rail, is simply fixed to the wall with chrome stabilising bars. This creates a walk through shower enclosure and a real style statement for the contemporary bathroom. This product consists of one glass panel, two stabilising bars, floor brackets and a chrome towel rail.

This product comes with a Lifetime Guarantee covering all manufacturing defects | Guardshield glass protection coating as standard | 8mm Toughened safety glass.

## Extension Kits | Installation Kits | Wastes

Extension kits and installation kits are available for raised installation, including legs and plinths. All trays are supplied with a 90mm waste.

For further details see page 237

A close-up, low-angle shot of a person's back and arm in a shower. Water is spraying over their skin, creating a dynamic, textured effect. The person's hand is visible, holding a dark, wet object, possibly a showerhead or a piece of hair. The background is a light-colored, tiled wall.

## INSPIRING SHOWERS

At Tavistock, good design without great functionality just won't wash. That's why our range of thermostatic showers is designed to give you the best showering experience. They come with everything you need for quick and easy installation and have been built to last. They're great value too so you don't have to splash out.

€418.57

**Features include:** 10 year guarantee | Automatic shut down if cold water pressure should suddenly fail | Anti-Scald thermostatic control for safe showering | Built in limescale resistance | Minimum recommended pressure of 0.1bar

For further information see page 243

## INSPIRING TAPS

Taps are no longer just a minor detail. They're the finishing touch, lifting your bathroom from the mundane to the truly special. The right taps must combine the two key ingredients of design and functionality - in short, they must look good and they must work well. With that in mind, we have designed a range of taps which really shine.

NEW FOR 2014

## STRIKE FEATURES

---

### **Low pressure**

Suitable for all plumbing systems including conventional gravity fed systems and will operate at 0.2bar or above.

### **Lever action**

The single lever action makes the Strike basin mixer extremely easy and practical to use.

### **Ceramic cartridge technology**

Smooth, easy to use action giving accurate flow control.

### **5 year guarantee**

Our taps are manufactured in a closely controlled environment with extensive quality control tests carried out. It is this attention to detail that allows us to confidently offer all of our taps with a 5 year guarantee.

# STRIKE

Strike's **TAPERED** body is echoed in its slim lever handle to create a simple yet **DISCERNING** look for your bathroom. Sure to be the next design classic.

# WASTES AND TRAP

Our tap ranges are perfectly complemented by our stylish and modern chrome plated bottle trap and collection of wastes. All bath taps are supplied without wastes as it is usual to purchase your waste with your bath. We have a choice of bath wastes with overflow in 2 different lengths depending upon your installation requirements.

Taps supplied with a pop-up waste include a waste outlet, pop-up rod and lifting mechanism. Please note that Strike, Melody, Voice, Q60, Hype, Kick, Lift, Blaze, Siren, Index and Logic mini and basin mixers are supplied with a click waste. For taps supplied without pop-up wastes, we have a few waste options as shown. Unslotted wastes are for use where no integral overflow is required in the wash basin.

## WASTES AND TRAP PRODUCT INFORMATION

# DESIGN DETAIL

## Tap Operating Pressure

Plumbing systems can sometimes suffer from poor flow rates. The UK is unique in that many homes are still using the more traditional, low pressure gravity fed plumbing systems which are most commonly found in older properties.

European manufacturers tend to design taps suitable for more modern plumbing systems which can often cause problems when installed in a typical UK home, resulting in a disappointing flow rate when using the taps.

Tavistock's in-house design team have recognised this problem and engineered our taps so that all of them are suitable for use with both high and low pressure systems.

Most of our taps operate at 0.1bar or above (0.1bar is equal to 1 metre head of water). In plumbing terms this means, for a gravity fed system, if the base height of your water tank is 1m above a tap, then you will have 0.1bar of water pressure at the tap.

If you are unsure, we recommend you seek advice from your plumber who will advise you on the plumbing system you have and the likely water pressures it can achieve. If pressures are too low even for our low pressure taps, you will be able to increase your water pressure using a suitable water pump, and again either your retailer or plumber can advise you on this. Please note that all of our taps are also suitable for high pressure plumbing systems.

# INSPIRING CABINETS

Our stylish range of cabinets will give you a calming, clutter-free space. You can treat yourself to a variety of special touches, such as soft close doors, double sided mirrors, integrated lighting and even internal shaver/ toothbrush re-charging sockets.

NEW FOR 2014

## CONDUCT FEATURES

---

### **Energy saving functional lighting**

Conduct cabinets feature overhead lighting using energy efficient diffused LEDs to create bright, stunning illumination.

### **Adjustable shelves**

Conduct cabinets are supplied with two adjustable shelves, providing ample storage for all your bathroom products.

### **Anodised aluminium construction**

Solid, robust aluminium-bodied construction makes your Conduct cabinet hardwearing, rust proof and easy to maintain.

### **IP44**

Our cabinets have been designed and independently tested for compliance with electrical equipment (safety) regulations. Cabinets which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Please see the diagram on page 250 which illustrates zones within a standard bathroom.

## IDEA FEATURES

---

### **Integrated fluorescent lighting**

Cleverly designed integrated fluorescent lighting is featured down each side of the cabinet, providing useful task lighting as well as illuminating inside the cabinet when the doors are open. 2 x 15w lamps.

### **Infrared on/off switch**

A safe and easy to use infrared on/off switch allows you to activate the lighting without touch. Simply move your hand in front of the sensor.

**Important** - all cabinets featuring infrared technology must be mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function of the infrared sensor. See page 240 for electrical specifications.

### **Re-charging socket**

These cabinets feature an internal power socket for electric shavers and toothbrushes. The socket can be operated independently to the lights.

### **Glass shelves**

Idea cabinets are supplied with three adjustable glass shelves, providing ample storage for all your bathroom products.

### **Anodised aluminium construction**

Solid, robust aluminium-bodied construction of your Idea cabinet makes it hardwearing, rust proof and easy to maintain.

# MIRRORS

With a myriad of additional touches such as heated demister pads and ambient lighting, our mirrors will give your daily routine a special lift. The right mirror will enlarge the smallest of spaces, reflecting light and brightening your room and your day.

All of our illuminated mirrors are IP44 rated, so whichever mirror you choose you can be sure that it has been tested for safe use in the bathroom.

NEW FOR 2014

CORE LED ILLUMINATED MIRROR

# LED

## STANDARD & BACKLIT LED MIRRORS

207

Add some **SPARKLE** to your bathroom with one of our bright LED mirrors. We have added two **NEW LED BACKLIT MIRRORS** to the range which utilise the very latest in energy saving LED technology.

### STANDARD LED MIRRORS

### BACKLIT LED MIRRORS

### LED ILLUMINATED MIRROR FEATURES

#### Infrared on/off switch

A safe and easy to use infrared on/off switch lets you activate lighting without the need to touch the mirror. Simply move your hand in front of the sensor to activate.

**Important:** When mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

#### Re-charging socket

An integrated power socket for electric shavers and toothbrushes.

#### Heated demister pads

Heated demister pads heat the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms.

#### Ambient lighting

For additional mood lighting in the bathroom, stunning effects are created with ambient LED lighting.

#### Tapered body

The tapered body profile gives our mirrors an elegant, floating effect.

#### Zones for electrical equipment in close proximity to bath & showers

Our mirrors have been designed and independently tested for compliance with electrical equipment (safety) regulations. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Please see the diagram on page 250 for further information.

Tapered body

# BATH PANELS & TOILET SEATS

The difference is in the detail. The right bath panel and toilet seat will enrich and complete your bathroom design. Whether you prefer traditional elegance or a bold contemporary look, you'll find the finish and style to suit your taste. Treat yourself to special touches such as real wood veneers and soft close hinges.

# BATH PANELS

Our white or wood veneer bath panels will **COORDINATE** perfectly with your bathroom look.

Your  
Bath Panel  
Options

## CONTEMPORARY BATH PANELS

This contemporary bath panel will coordinate with the walnut finish in our Kobe or Groove furniture ranges.

This panel is supplied with a height adjustable plinth.

Please note these panels are PVC foil wrapped and not necessarily an exact match against real wood products.

Overall height 430mm-560mm.

### CONTEMPORARY WALNUT FINISH

|         |                   |         |         |
|---------|-------------------|---------|---------|

| EPP301B | 1700mm Side Panel | £75.95 | €91.86 |
| EPP302B | 700mm End Panel   | £40.56 | €49.06 |

### ETHOS WALNUT FINISH

|          |                   |        |        |
|----------|-------------------|--------|--------|
| EPP301AW | 1700mm Side Panel | £81.10 | €98.09 |
| EPP302AW | 700mm End Panel   | £42.98 | €51.99 |

### ETHOS NATURAL OAK FINISH

|         |                   |        |        |
|---------|-------------------|--------|--------|
| EPP301O | 1700mm Side Panel | £75.95 | €91.86 |
| EPP302O | 700mm End Panel   | £40.56 | €49.06 |

The contemporary pared down design of the Ethos panel will add the perfect finishing touch to your bathroom.

Ethos is manufactured from 12 mm MDF, and features a high quality real wood veneer or painted finish | Available in walnut, beech, natural oak or gloss white painted finish, sealed with a moisture resistant coating | Supplied in 1700 mm and 700 mm lengths | The white finish is also available in 1800mm length.

Bath panel height 515mm including 5mm lip.

## ASPEN BATH PANELS

Coordinate with  
Aspen  
Furniture

### ASPEN WHITE FINISH

|      |                   |         |         |
|------|-------------------|---------|---------|
| A304 | 1800mm side panel | £188.88 | €228.45 |
| A305 | 800mm end panel   | £119.17 | €144.14 |
| A301 | 1700mm side panel | £157.43 | €190.41 |
| A302 | 700mm end panel   | £92.22  | €111.54 |
| A303 | 750mm end panel   | £103.43 | €125.10 |

Aspen bath panels are manufactured from 20mm durable MDF with a tough, high gloss lacquer, providing a water resistant surface, vital within the bathroom environment.

Coordinating bathroom furniture is available, see pages 66-71 | Bath panel supplied with height adjustable plinth allowing an overall height of 430mm - 560mm.

## MERIDIAN BATH PANELS

Coordinate with  
Meridian  
Furniture

### MERIDIAN ROUTED WHITE FINISH

|        |                   |        |         |
|--------|-------------------|--------|---------|
| MPR2W  | 1700mm Side Panel | £96.85 | €117.14 |
| MPR2EW | 750mm End Panel   | £59.92 | €72.48  |

### MERIDIAN PLAIN WHITE FINISH

|         |                   |        |        |
|---------|-------------------|--------|--------|
| MPP3W   | 1700mm Side Panel | £59.94 | €72.50 |
| MPP3EW  | 750mm End Panel   | £36.99 | €44.74 |
| MPL122W | 1220mm Plinth     | £30.35 | €36.71 |

There are a selection of bath panels to complement your installation. The white routed panels offer great versatility as they can be cut down to size (front panel: 1700mm to 1500mm and end panel: 750mm to 700mm) without affecting the design. The plain white front and end panels are simple and stylish and offer great value for money.

Coordinating Meridian bathroom furniture and toilet seat are available, see pages 72-75 for co-ordinating furniture and page 219 for coordinating toilet seat.

Bath panel height 520mm.

Meridian is also available in a plain finish

## MILTON BATH PANELS

## EXTENSION KIT

## QUADRANT FITTING KIT

## SQUARE &amp; RECTANGLE FITTING KIT

An optional 20mm shower **enclosure extension profile kit** is available should your installation require it

Our tray **fitting kits** provide all the necessary parts to quickly and easily convert a low profile tray to a raised installation where required  
Where a tray over 1200mm in width is used with a fitting kit an **extension kit** will also be required

**Seal strips** are available to convert flat top trays to a tiling upstand option creating a watertight seal between tray and wall

### ZONE 1

Electrical fittings in this zone require a separated extra low voltage and a minimum rating of IP44 (splash proof).

### ZONE 2

Electrical fittings in this zone require a minimum rating of IP44 (splash-proof).

## BATHROOM SAFETY

### Mirrors Technical Information

Important - All mirrors featuring infrared technology must be mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function of the infrared sensor. Tavistock illuminated mirrors have been designed and independently tested for compliance to electrical equipment (safety) regulations.

All electrical connections should be made according to the latest national wiring regulations. Illuminated mirrors are suitable for installation in the bathroom within outside zones unless stated. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Illuminated mirrors are not suitable for installation in saunas, steam rooms, shower cubicles or above a bath tub. Products are only suitable for permanent installation. Installation by a suitably qualified electrician is required.

### Cabinets - Electrics

Our illuminated cabinets have been designed and independently tested for compliance to electrical equipment (safety) regulations. Idea cabinets are only suitable for use outside zones 1 & 2 according to the latest IEE regulations. All Idea cabinets are class 1 insulated and require an earth connection.

**IMPORTANT** - all cabinets featuring infrared technology must be mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function of the infrared sensor.

### **Customer Service**

If you have a query all you have to do is pick up the phone. A member from our highly trained customer services team will deal with your problem effectively and efficiently.

Call 01225 787870 to speak to a member of our customer service team. Our lines are open:

Monday – Thursday 9am - 5.30pm  
Friday 9am – 5pm

or email us at  
[info@tavistock-bathrooms.co.uk](mailto:info@tavistock-bathrooms.co.uk)

### **Quality & Service**

Exceptional service is as integral to our business as outstanding product, design and manufacturing. We invest heavily in product improvement and reserve the right to amend specifications at any time if an opportunity to further improve the product occurs to ensure complete customer satisfaction.

### **Guarantees**

All product are guaranteed against defective workmanship or materials. Length of guarantee depends on the product type - please refer to relevant section of the brochure. Guarantees are for domestic use only and are not transferable.

Attention is drawn to the policy of replacing any damaged part with a spare part where possible. Complete exchanges will only be made if damage is extensive. All dimensions are approximate and are quoted within reasonable tolerances.

### **Pricing**

All prices are quoted inclusive of VAT which will be charged at the rate applicable on the date of despatch. The prices charged will be those ruling at the date of despatch and Tavistock cannot be held responsible for any errors or omissions to products or prices.
