FURNITURE

LANSDOWN

Bring back classic style with Lansdown. Traditional 5 piece doors, grooved side panels and a muted palette of finishes all contribute to the timeless feel.

FEATURES

Basin Units

The generous flat fronted ceramic basins complement the classic styling, while providing ample wash space regardless of size. There is a choice of freestanding basin units with sizes suitable for cloakrooms as well as family bathrooms. If you wanted to create a truly classic feel, why not opt for an underslung basin unit, especially when used together to create a statement 1200mm double basin unit. The Lansdown range features traditional cabinetry techniques, using 5 piece door construction with tongue and groove side panels. All units feature soft close doors.

There is also a semi-countertop basin unit which allows Lansdown to be assembled in a run with a worktop for a more fitted furniture look.

Co-ordinating Units & Bath Panels

Back to wall and storage units, a mirror and bath panels complete this beautifully understated range.

Finish Options

Lansdown furniture is available in 4 finishes of linen white, pebble grey, matt dark grey & mineral blue.
