LANSDOWN

FEATURES

Basin Units

The generous flat fronted ceramic basins complement the classic styling, while providing ample wash space regardless of size. There is a choice of freestanding basin units with sizes suitable for cloakrooms as well as family bathrooms. The Lansdown range features traditional cabinetry techniques, using 5 piece door construction with tongue and groove side panels. All units feature soft close doors.

There is also a semi-countertop basin unit which allows Lansdown to be assembled in a run with a worktop for a more fitted furniture look.

Coordinating Units, Bath Panels & Toilet Seats

Back to wall and storage units, a mirror and bath panels complete this beautifully understated range. Soft close wooden toilet seats are also available in coordinating finishes.
