# Acorn:Apprenticeships & Recruitment

## Acorn:Apprenticeships

Unique subsidised work-based training and development programmes designed with you for your business.

Our programmes are available to businesses of all sizes and sectors and lead to nationally recognised qualifications. You can use Acorn:Apprenticeships to develop your existing employees as well as receive cost saving benefits when recruiting new ones.

## Can't find the right candidates with the right skills for your vacancies?

Our Acorn Recruitment Partnership service will solve this BIG problem for you, and free up valuable HR time and resource in the process.

Utilising government funding, our subsidised service offers your business an end-to-end recruitment and training solution with no costs attached.

### You will receive:

- Free Job advertising
- CV screening
- Candidate selection & interviewing
- Bespoke prestart training if required
- Work placements try before you buy
- Induction mapping to the QCF framework
- Continued workforce development via...
- Acorn:Apprenticeships and Advanced Acorn:Apprenticeships

*This is what it means to you!!*

## Business benefits

Acorn:Apprenticeships bring you real business benefits:

- Increased productivity
- Develop a skilled and accredited workforce
- Generate increased sales
- Reduced training costs and the cost of recruitment
- Exceed service levels

We also offer free advice and guidance on a range of business critical topics to all of our valued partners.
